

Butterfly 9 (KK1478)

Colors Used	
	Tsukineko Inks & Fabric Medium
1	Thyme
2	Burgandy
3	Lipstick Pink
4	Bubblegum Pink
5	Vegas Gold

Note: while you can use Tsukineko Ink Straight, I find that it bleeds too easily. By mixing it with a 50/50 mix of fabric Medium, you can color with it like Paint.

Light # 1 means to mix 1 drop Tsukineko ink color 1 With 10 drops fabric medium in order to make A very light green.
