Animals Gone Zen Block: Elephant QUILT PAINTING Kit By Michele Markey

Animals Gone Zen Block 10 – Elephant Instructions

There are a few videos made for using Inktense pencils and setting bling on my website: www.medinadomarts.com

Materials included in your packet:

One 16 x 16 inch Animals Gone Zen Elephant and Paper Version for Pre-coloring

	Fabrico Markers:
1	Pea Pod
2	Pine
3	Pale Aqua
4	Lipstick Pink
5	Bubble Gum Pink
6	Tropical Lagoon
7	Peony Purple
8	Pale Lilac
9	Tangerine
10	Lemon Yellow

1. Pearlescent Fabric Medium tinted in Light Green (or a tinted fabric medium of your choice of color)
2. Regular Pearlescent Fabric Medium
3. Paint Brush
4. Paint Palette

Many of the items listed above have been used in previous blocks. If you are using alternate colors use the Color Code for the Fabrico markers and use the appropriate alternate pencil color associated with that Fabrico marker.

Bling Kit: See attached excel spreadsheet for list of stones

Instructions -

Color as per the colored picture and keycoded diagrams. Use the attached plain copy to test colors first before coloring stitched version.

Use Fabric Markers and/or gel pens before using Inktense pencils and fabric medium. Color all sections first before coloring background.

The entire background of the Elephant is painted with pale green tinted fabric medium which should be done AFTER coloring all other sections first.

You do not need to use fabric medium on the markers.

HEAT SET WITH PRESS CLOTH! Color before setting bling.

Bling Kit (all the stones necessary to bling according to the photo included in kit. Please note that there are just a few extra stones of each color so be careful when handling the rhinestones).

Iron or Mini Iron. The best way to attach most of these stones is with a mini iron preferably one that has a rhinestone tip. A regular iron can be used but may prove to be cumbersome when setting the very smallest stones.

Pair of tweezers for placing the stones. Any tweezer will do but I find that embroidery tweezers or medical supply tweezers at least 4.5" long work the best.

Animals Gone Zen Block 10 – Elephant Instructions

Roxanne's Baste it with the small nozzle for precise glue placement. Although the stones are all hot fix (meaning that the glue on the stone is activated by heat), I found it somewhat easier to put a spot of Roxanne's Baste it glue down, place the stone on the glue then let the glue dry (for about 5 minutes). Then hit the stone with your iron or mini iron. The Baste it glue holds the stone exactly where you want so you can place the iron on it without worry of the stone shifting under the iron.

There is no particular step by step process other than it is easier to color first then place the stones. The photo included should be the best guide for coloring as well as where exactly to place stones. However, there are detailed diagrams of each part of the design labeled with number associated with a particular stone. Please see the Excel spreadsheet printout for the rhinestone name, the size and the color code for each stone. I have also provided a close count of how many stones are used throughout the process.

If you are having difficulty setting the stones (i.e., they don't seem to stick once heat activated) you may want to refer to the VERY DETAILED instructions provided by the following link:

https://www.harmanbeads.com/assets/images/PDFs/Product%20Information/Application%20Manual/2017/SP_Application_2017_hotfix.pdf

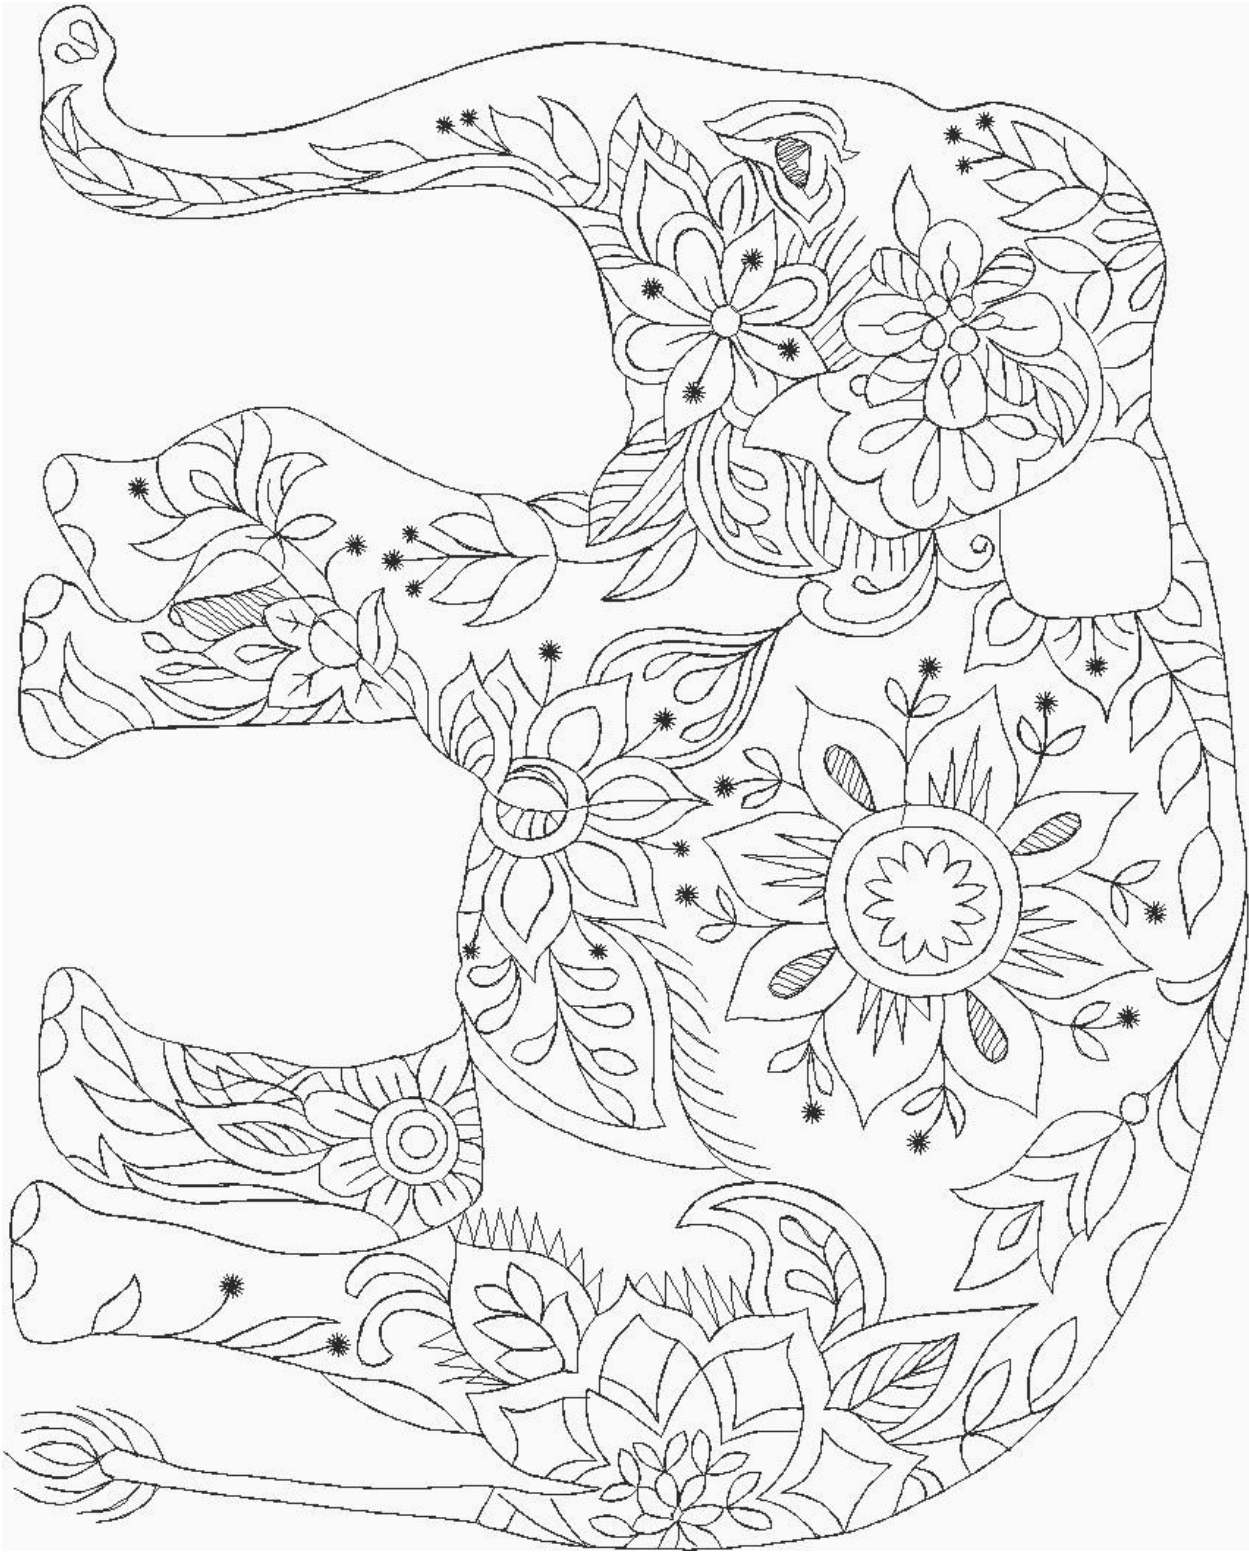

Finally, you can contact me via email at: medinadomarts@aol.com for any questions or if you need additional rhinestones to complete your work of art!

Enjoy!

Coloring the Elephant

1. The entire background is painted with the pale green tinted fabric medium (or the color of your choice) AFTER you color with the fabric markers. And/or pencils.
2. You may see two numbers with a slash. This means to blend the two colors together. You can color with the lighter color first then immediately color with the darker color OR put fabric medium down first and color with light color then dark color and blend together with paint brush.
