Patrick Olsen, Area 21 Director, has visited 4 out of 5 clubs. I will be visiting Forging Leaders on September 25th. I have submitted the club visit aspect of the Area Director Report for one club and I am working on submitting the rest. The only club I have received a club success plan for is RLI Toastmasters.

Both Power Communicators and RLI Toastmasters have three more members. If they keep this increase in members and meet goal requirements of the Distinguished Club Program, they will become Distinguished.
