

Pathways Support Coordinator Corner – Issue 2, November 2022

If you haven't signed-in to the Toastmasters International Home page in a while you are in for a big surprise.

This article is primarily how to login to Base Camp both as a member and as a Base Camp Manager (BCM).

But first, there is a '**How to find the Ice Breaker on the Toastmasters International website**':

After logging onto the TI website click the X in the upper right-hand corner of the overlay screen to get back to the Home page. If you have previously selected 'do not show this again' option simply select 'Education Programs' tab, then 'Pathways', finally 'Sample Your First Project'.

How to get to Base Camp:

- Click the X in the upper right-hand corner of the overlay screen if it appears
- Depress the carrot next to your name and, from the dropdown list, select 'My Home'
- Click the 'Go to Base Camp' icon
- There are two sections of club names to select from – member in the first section and BCM in the second section
- If you select a club name as BCM the 'old' BCM Home page will appear

There is a second alternative way to get to Base Camp:

- Click the X in the upper right-hand corner of the overlay screen if it appears
- Click the 'Education Programs' tab
- Click the 'Go to Base Camp' Access tab
- Alternatively, after clicking the 'Education Programs' tab click the Pathways tab and scroll down to 'More Information' at the bottom of the page

You can also view a video at <https://jwp.io/s/1yMYj14n>.

Let me know if YOU have questions about Pathways that can be addressed in future PSC Corner articles or webinars.

Enjoy the Holiday Season

Maryann Reichelt, DTM
Immediate Past District 54 Director
