

## Who We Are

**We are** a group of Horsepeople passionate about building a strong partnership between horse and rider through horsemanship and building a bond of trust through leadership and mutual respect.

**We** achieve this through obstacles.

**We** understand competition can be quite costly by time you pay for membership dues or association fees, then on top of that place the high cost of competition.

**We** offer an affordable alternative to the National Associations.

**We** do not charge our riders any membership dues or association fees.

**Our** runs are an affordable \$28.00 per run.

**We** believe that everyone should be able to enjoy competing in equine events without breaking the bank.

## Sponsorship

# Colorado Obstacle Challenge Series Sponsor Information

## I Level of Sponsorship

**We are a buckle series.** We not only offer ribbons for placings 1st—3rd at every event, but we also maintain a spreadsheet with each rider's year to date points .

At the end of the Season, the High Point Winner in each Division receives a Belt Buckle.

**We** also award ribbons, placings 1st—6th for end of year awards.

2021 Season was our 5th Season, and we were pleased to offer an Overall High Point Champion Saddle and Overall Reserve High Point Champion Breast Collar, thanks to our Sponsors.

**We** travel to Host sites, giving others the opportunity to share their sites with our riders, This keeps obstacles fresh for all riders, while making some money while doing so. We pay our Host sites 70%, while we only take 30% to go towards end of season awards.. National Associations charge Host sites a fee to take part in Events such as what we offer.
