Thanksgiving Greetings!

Most of us who have or have had Children started teaching them the basics as they were in their formative years. We taught them to say “please” when they wanted something, but we also taught them to say “thank you” upon receiving a blessing.

It wasn't something they were born with, but the more we taught them not only with our words but also with our examples, they began to use these powerful words. And for that, we are thankful!

The Bible tells us in Psalm 107:8-9 – 8 Let them give thanks to the LORD for his unfailing love and his wonderful deeds for mankind, 9 for he satisfies the thirsty and fills the hungry with good things.

As we enter another Thanksgiving Season, I pray that we take time to express our appreciation to the Lord for all His blessings in our lives. If anything we have learned over the past nearly two years, we can't take life for granted.

Thanksgiving is so much more than a day set aside once a year to eat all the food we can eat, followed by a marathon of football games or Hallmark Christmas movies!

We need to express thanks for the relationship we have with Christ, as well as our families and friends. Even going to church is something we can't take for granted anymore!

Hebrews 10:25 – not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.

On behalf of the leadership here at Seminary, we would like to wish you a blessed and safe Happy Thanksgiving!

Give Him Thanks!

Sincerely, Pastor Chris and

Your Pastoral Care Team
