About Mike's Barrio Ball

Mike's Barrio Ball's main goal is to give the young athletes of Laredo, Texas, and surrounding areas an opportunity to enjoy basketball in a healthy and safe environment. We believe in a FUNDAMENTALS FIRST approach which increases the player's individual skills within a team environment. We promote competitiveness, teamwork, sportsmanship, and the opportunity to succeed in the basketball program.

We organize 3-on-3 street ball tournaments for children in the community to help keep them off the streets and out of trouble while bringing the community closer.

We hold these tournaments using basketball courts at public parks in the community, so children and youth can participate without having to pay an entry fee. Each member of the winning team receives a trophy. This encourages healthy competition and leadership skills.

The tournaments are held three times a year.

One of our goals is for the top teams to travel around the country and represent our organization in 3-on-3 street ball tournaments. This will allow our children and youth the opportunity to showcase their skills while setting an example for other children in those areas.

As with any organization, Mike's Barrio Ball does periodic fund raising activities to be able to ofer the basketball tournaments at no cost to the players.

Our coaches all share the common belief that fundamentals, teamwork, responsibility and competitiveness are all values that we want to promote. Above all of these items, our players should have a positive learning experience and have fun.

The organization operates largely on donations and corporate and individual sponsorships. The mission of the program is to give as many athletes in Laredo, Texas the opportunity to play competitive basketball.

Upcoming tournaments:

Aug. 5-6, 2023
