

AWAKENED AWARENESS

CRYSTALS ARE SPIRITUAL TOOLS

God creates everything with purpose. The natural beauty of Stones from all parts of the world is an expression of the Beauty within us.

These crystal beauties are admired by many for so many reasons.

Understanding their Energetic Frequencies further activates the Best Version of Ourselves.

Crystal FAQ

Do crystals really work?

Crystals are natural sources of neutral energy. Their energetic structure radiates a frequency in which aligns with our energetic selves. Crystals have been utilized for centuries. Our cell phones even have crystals in the microchip that help with the logistics of signal processing. Crystals are real & its benefits aid the user as far as the user understands.

Are Crystals Witchcraft?

No! God created the Earth & the Crystals are found within the Earth. In the mindset that God creates with purpose, Crystals also have a purpose. Speaking of God is Spirituality not religion. That's why so many are apart from the Beauties of God's gifts.

Do the same crystals work with everyone?

Depends. The beauty of crystals is their uniqueness & how they gravitate to people. Our frequency attracts & sends a signal that aligns with certain crystals. Being open & connected to our Celestial Energetic Selves allows us to raise our vibration. Crystals are just Spiritual tools that helps us connect. The true Powers is already within us and crystals help us to learn how to utilize it.

Are stones based only on zodiac & birth month?

Not at all. Crystals work for everyone. When you connect with stones associated to your zodiac or birth month you just connect with them on a deeper level. It does not mean you can't benefit from other stones. Remember crystals are a natural energy with vibrations to help us become our Highest Selves.
