Dear Gracious Giving

On behalf of our children and families, we want to personally extend our unwavering gratitude for your support to the Foster Care program at Rebekah Children's Services. Your generosity and spirit of giving clearly demonstrates your commitment to serving those most vulnerable in our community.

Your 2022 Christmas Donations made the holidays magical for so many foster youth and their families. Gracious Giving continues to be an incredible partner and defines what giving means.

Sincere gratitude from my team and all the kids we serve!
