To: Mahek and Gracious Giving,

S.T.A.R. Programs is greatly appreciative of Mahek and her non-profit agency, Gracious Giving, for donating 30 backpacks filled with art supplies as well as reusable masks. Our agency, staff, and youth are extremely thankful for the hardwork and dedication that Mahek put into collecting and assembling these items and backpacks for our youth. Words can not express how grateful we are to have been a recipient of these items and for her reaching out and support of our agency.

Sincerely,

*Vicky Taylor*
