Dear Gracious Giving,

Thank you so much for your generous donation to the Marin Foster Care Association. The Spring Baskets are beautiful, bountiful and festive. We'll soon be rallying our volunteers to deliver them to front porches across Marin County.

It is almost impossible to imagine what life is like for a child whose parents are unable to take care of him, make him feel safe, walk him to school or watch him play in his first soccer game, or send him off to college. Our mission is to highlight the needs of Marin's foster kids to our community and raise awareness and funds for our programs.

On behalf of our Board, Marin's foster children and the families who care for them, thank you so much!

With gratitude,
