Gracious Giving Organization

Dear Miss Patel,

The Bauru Falcao Lions Club, Division A2, Region A, District LC8, from the State of Sao Paulo, Brazil would like to thank you for your generous donation of 200 (two hundred) boxes of Gel'ô. Your donation was included as part of our Region A Charity event "Gincana", which was focused on *empathy*. This event was organized by our Lion's member DG Marli Minetto with the main purpose of directly benefit the children recovering from cancer treatment in Brazil.

We are happy to inform you that with the help of generous people like you, this event was a great success and we were able to assist various hospitals in our region. We are very happy and appreciative and we hope to be able to partner with you again in our future charitable events.

With a Lion's heart.
