## 2022 Maintenance Fee

At the November 8, 2021 Board of Directors Meeting the 2022 Budget was voted on and passed. Beginning January 1, 2022 **Your New Quarterly Maintenance will be \$550.00.**

The office will be mailing to you a new **2022 Coupon Booklet** These booklets will be used for your Maintenance Dues. Please note the late fees will be charged after the 10th. of the month. The late fees will be added to your account.

Maintenance is due on the first of January, April, July & October, after the end of the month when not paid you may incur Legal fees if the Account is given to the Lawyer for collection.

Thank you to our Treasurer, Bill Morris and the Budget Committee for the outstanding job this year that was done to make this all happen.

## It is your Community

As we enter the new year, we sometimes need to be reminded that this is our community and we have a responsibility to be alert to our surroundings. Broward County has had a rash of “catalytic converters” stolen, car break-ins, strangers walking around at the late-night hours, security lights coming on, and cars just cruising around.

As homeowners we need to look out for each other. See something. Report it. Help by keeping your front yard pole light on. Lock your car doors every night. We only have two ways in and out of our community and therefore we should not have any through traffic.

Parking On the Street in The Meadows is prohibited between the hours of 1:00 am till 6:00 am. Stickers will be placed on the window of violators. After 3 violations the vehicle **will be towed!** Help us keep our community safe! **Watch your speed 15 MPH.** We have walkers, joggers, bike riders and workers around every turn. 15 mph is our posted speed. Please everybody slow down.

Our New Maintenance amount is \$550.00 for 2022. Best deal in Broward County. Less than \$185.00 per month with all our amenities Plus cable TV.

Check your Light post by your mailbox to ensure it is ON at night. Put a piece of tape on the switch so it will not get turned off by accident. It will only come on at night. It is our best defense.

# GETTING TO KNOW IBIS RODRIGUEZ

By Sharon Messina

FACILITATED BY MARISOL SMITH, MARIA RODRIGUEZ, AND GLADYS RODRIGUEZ

Cuba was a much different country when Ibis Rodriguez was growing up. Even though the country was under a dictatorship, life was relatively good, safe, and secure. Born in Santa Clara, Cuba, Ibis is the third oldest of a family of five girls and three boys. Although her father was a teacher, Ibis did not enjoy school. She preferred working with her hands so at 14 she left school and joined her mother working in a tobacco factory.

Ibis met her husband, Carlos, and the couple had three daughters. A cousin taught the young wife and mother how to sew outfits for her girls and a career as a seamstress emerged. Carlos had a watch repair shop in the front of their house. Life was pleasant and comfortable but he dreamed of a better life for his family. Carlos left for the United States and landed in Miami where he had trouble getting a job.

Carlos soon realized that in order to bring his family to the United States he would need the help of his wife. He reasoned that if they both worked for a couple of months there would be enough money for a nice apartment, plane fare and the required visas. He assured Ibis that it would be two months at most. Leaving her young girls, ages 6, 4, and 1, was the hardest thing Ibis had ever done, especially the baby who was just learning to walk. She decided she could sacrifice two months for the chance at a better life.

In Miami Ibis could not find work either. They met another couple who along with their two children were leaving for New York to seek employment. With only \$300, the young couple drove from Miami to New York with four other people and all their belongings. Of course, the car broke down several times and they arrived in Manhattan with only \$30.

Life in Manhattan proved to be a challenge, especially for a girl from a small island. On her first day of work Ibis was introduced to the hectic subway system and told to learn fast because she would have to return home on her own. Ibis was fired several times before she would get the job, she would have for the next nine years. Being a quality seamstress, she was not used to the piece-work factory system where speed and productivity was all that mattered. Carlos and Ibis rented a room from a family with two children and began saving every penny they could to bring their daughters.

With all the unexpected setbacks, it was a year before the girls and their grandmother arrived in New York. This was a proud and happy moment for the family! Ibis continued as a seamstress while raising her three daughters. The Rodriguez family lived for nine years in Manhattan. Life was exciting in spite of the freezing weather. They walked everywhere and took the subway to far places. Although they were happy, Carlos once again wanted something better for his girls. He had heard that Florida was a more wholesome place to raise a family.

On the move again, in 1966 the family arrived in Ft. Lauderdale where Carlos got a job repairing aircraft clocks and Ibis did alterations for a tailor. Carlos had to learn how to drive and Ibis rode a bike to work until she too learned to drive. The family found Fort Lauderdale very quiet and slow after the excitement of Manhattan. An added challenge for Ibis was that, unlike Miami, very few people spoke Spanish. Ibis' career spanned 37 years. Her daughters attended college and pursued careers, two in education and one in law.

Ibis' husband passed away in 1994. After a year she sold the house, they had built and eventually moved to the Meadows. Ibis lives with one of her daughters and a second one lives a mile away. Her youngest daughter lives in New Jersey and visits often. Ibis and her daughter Maria enjoy the peaceful and friendly atmosphere of the Meadows. She said, "We feel safe here."

Ibis reflected that she feels sad and helpless to see what is happening in her homeland. She has never been able to return but still sympathizes with the pain and economic plight of the people. Ibis turned 90 on September 4<sup>th</sup>. Two of her daughters were with me when I interviewed their mother. All three daughters admire their mom's strength and positive outlook. They are proud of her and devoted beyond measure to her well-being. Maria said, "Here is a woman who did not speak English, left a small village in her native Cuba and traveled to gigantic Manhattan and succeeded. This is a tribute to the strength, determination and courage of our mother, Ibis Rodriguez!"

### **HOA 2022 Meadow of Crystal Lake Board Candidates & Resumes**

#### **Anthony (Tony) Guadagnino**

I have lived in Deerfield Beach for over 30 years and have been married to my wife Rosalind for 24 years. We have 2 children Anthony and Marrina.

I am the senior pastor at Christian Love Fellowship Church in Deerfield Beach. I worked as a Chaplain for the Broward County Sheriff's Office, leaving to work at the church full time. I was asked to sit on the Board of Commissioners at the Deerfield Beach Housing Authority to assist with the social crisis of affordable housing. My wife and I organized and founded Caring Hands of Deerfield Beach, a non-profit Corporation, to help the homeless and the poor in our area of Deerfield Beach. I hold a Master of Divinity degree from South Florida Bible College & Theological Seminary.

I love to help people under any conditions or situations and solve problems. I know the experiences and skills I have can help our community here at the Meadows. I have a good eye for finances and understand construction and how to save money. I know the HOA laws in Florida. My experiences have taught me to be a good listener and how to solve problems at the same time showing compassion and respect. I believe the home owners should have a voice in our community and need someone to listen to their concerns.

#### **Jose (Joe) Rivera**

I have been a Property Manager for over 23 years in plan and manage building operations, maintenance, and repairs. Managed major mechanical and structural capital improvements to include replacement of heating and air conditioning equipment, lighting, structural renovation, elevators, and plumbing.

I've Developed, manage and reconcile annual budget. Assist in the preparation of the Financial Monthly Report. Monitor contractor's performance and contract requirements and prepared annual audit responses and assured compliance with building regulations and standard. Review and reconcile budget line items. Assisted in the preparation of the Financial Monthly Report and determine appropriate products and services with clients to define project scope, requirements,

and deliverables.

# HOA 2022 Meadow of Crystal Lake Board Candidates & Resumes

## William (Bill) Jeffries

I am running for a second term as a Director for the Meadows of Crystal Lake HOA Board of Directors. For the last two years I have served as a Director and supervised small and large projects including the repair of the fountain at the entrance, the tree planting project that was mandated by the city and a plumbing project for the clubhouse. Throughout my tenure I have served as the Board's representative on the Screening Committee welcoming new residents to the community.

During my first term I served as Board President for 14 months. As President I oversaw repairs to the pool pump room, the irrigation system, the tennis court, the shuffle board courts, and several repairs to Broward County water lines to homes within the Meadows. I have brought structure and accountability to the Board Meetings by following Robert's Rules of Order. I also spent several hours each week at the office making sure our Office Manager and Maintenance Supervisor had the Board support necessary to successfully complete their jobs.

My background includes a Masters Degree in Education and a Bachelors Degree in Journalism. I served 20 years in the U. S. Navy and retired as a Chief Petty Officer. After the Navy, I became a Special Needs Teacher and worked with elementary age students for 22 years. I retired in 2016

I served on a HOA Board for 12 years in Virginia. As a Director I always ask, "Would you be spending the money if the money was coming out of your personal account?" If you wouldn't spend your personal money on something, you shouldn't spend community money.

I have the integrity and the experience to be an effective Director on the Board of Directors, and knowing that, I humbly ask for your vote.

## Ronald Masloff

Many of you reading this already know me but for many of our new residents I hope to meet with you at some time. The Meadows HOA is a self-managed association and because of that it takes time and dedication as well as experience in running an association and in conjunction with that I already am aware of this as I was a Director for 2 years as well as President for 5 years. The Board must work together to confront different issues although not always agreeing on those issues. But in the end, it is always better for our community I can relate to this, as I was along with my board at the time responsible for several high-end contracts including Comcast, Cutters Edge and our Pool Company. I am presently still active with the Landscape Committee as well as the Painting Committee.

It is important for Board members to have an open mind when reviewing all aspects of the HOA as well as doing their fiduciary responsibility. As our current President says "we need to operate like a business"

Because of my past experience here at the Meadows I would like to continue on the Board and continue to make the Meadows a better place to live. Looking forward to your vote.

## **William E. Morris (Bill)**

It has been an Honor to serve on the Board and as your Treasurer these past 2 years. As a South Florida resident since 1984 I have been fortunate to enjoy a career that I loved in the automotive industry. I am mostly retired now only helping a friend manage a security company.

As many of you know, I spent 18 years on the Board of Directors for a large community of 775 homes (townhomes, Villas, and Single-family homes). My appointments during those years were, but not limited to, HOA Board of Directors, Treasurer, Legal Committee Chair, Architectural Committee Chair, Newsletter and Welcome Committee Chair.

We were faced with many challenges these past 2 years and will surely face more in the coming years. As always, your challenge is to elect the best people to serve without personal agendas. I would be honored and consider it a privilege to continue to serve our community in any capacity should you re-elect me. Thank you in advance for your support.

## **Joseph Guadagnino**

I married my wife Beatrice in 1958 and we have four children, nine grandchildren and seven great grandchildren.

Dr. Joseph Guadagnino is the Chancellor of South Florida Bible College & Theological Seminary, which he founded in 1985. He holds a Master of Arts in Christian Studies from Whitefield Theological Seminary, a Doctor of Divinity from North American School of Theology, and a Ph.D. in Theology from Faith Theological Seminary.

On Sunday morning, August 10, 1980, Dr. Guadagnino pioneered Christian Love Fellowship Church in South Florida. He was Senior Pastor until 2004 when he turned the ministry over to his son. In the fall of 1988, Dr. Guadagnino began Christian Love Fellowship Academy, currently known as Deerfield Christian Academy. Dr. Guadagnino was the President until 2004 again, turning over to his son. Dr. Guadagnino has two sons that Pastor Churches in South Florida, a daughter on the mission field in Honduras, Central America, and another daughter involved in children's ministry. I have served on the English Mountain Board of Directors for the three years.

I have been a resident of The Meadows of Crystal Lake since 2010. I would like to serve on The Meadows Board of Directors.

## Stephen (Steve) Gray

Two years ago, I ran for the Board in order to help manage our beautiful facility and improve it where possible. In these two years, I've been responsible for the swimming pool and spa operation. **WE'VE** been able to get that area working well with the replacement of failing equipment and immediate response to any complaints. Notice that **WE** have been successful. I've been able to work with our maintenance staff and vendors to achieve this.

I've also been able to work with many of you with your architectural change requests. I've always approached this responsibility from a customer service point of view. If we have a challenge approving exactly what you want, we try to figure out how to make things happen through compromise still following the rules.

I've been out and about on my walks and on the golf cart and appreciated that many of you have commented that I'm always smiling. Yeah, I try.

I've built a positive relationship with our staff and try to be available anytime Mary Anne or Terry need help or a gopher. I see some of you at bingo or dominos and it's always fun.

I've found that when I was a Vice President of a large corporation or when we were farming or running our restaurant or campground that smiles and positive attitude helped get the job done.

Common sense goes a long way too. I hope you'll trust me to continue to do my very best to manage our facility. You're my neighbors and I'm happy we're at home here.

Thanks, Steve

## Jacalyn Stevenson-Wright

As a newer resident to The Meadows, I would like to be more involved to protect my investment in this community as well as yours! Some of my past and present experience include:

Small Business Owner Plantation, Florida, CFO of a general contracting company Boca Raton, Florida, Notary Public State of Florida, PTA President running board meetings and several successful silent auctions and school fairs. Girl Scouts of Southeast Florida Troop leader (daisy through cadettes), fall sale and cookie sale chairwoman for East Boca Raton and trainer for adults who wanted to be involved in the GS organization.

I believe we need a board that can communicate in a respectful manner, that listens to the homeowners and doesn't try to put a patch on everything. It takes all 7 board members to make solid decisions for this community, questions can and should be asked, and answers given without disrespect.

I would love to be more involved, bring fresh ideas and a new perspective to our community as well as be a part of the solution for existing and future issues. This can be done by listening to fellow homeowners and taking care of business in a professional manner.

Thank you in advance for your support!

## **Turn On Your Pole Light**

We are asking all residents to turn on and leave on their Pole Light at the end of your driveway. The purpose of this pole light is for your safety and for Meadow security. We do not have enough street lights in our community. The cost to operate your pole light is pennies a month

We are proud of the reputation of this development has. The Meadows Security depends on your help and this Light Pole is a Start. We are happy to provide you with a sensor to turn the light on and off at dusk and dawn. Just stop by the office to sign up for a sensor if needed.

We ask that you provide the light bulb since we cannot all agree which is best. LED is the least expensive to operate but some of the old fixtures do not take LED. Which is ok. All light bulbs that are in working condition is all that we need. We the community would like to see 2022 start off with all light poles on.

## **Bulk Pick Day has changed**

For our community the Bulk Pick-up Day has changed to **Wednesday**. That means we can only put out our Bulk Trash out on Tuesdays after 5:00 pm. Please keep our community looking great and only put your Bulk Trash out to the curb on **Tuesday nights!**

## **Why am I being asked to bring my ID to the office**

We live in a 55 and over Community. The Fair Housing Act "Housing for Older Persons" requires that we provide proof that we qualify to be a "55 and over" community They require proof every few years. In order to do that we must ask you to bring your current ID that proves you are 55 or over to the office so Mary Anne can make a copy and keep our records up-to-date.

Ed MacDonald has been very helpful with calling each household and asking one person per household to bring their current ID to the office Thank you Ed for all your help.

So please, if you have not done so, stop by the office and bring your current license or proof of age, it goes only in your file.

Thank you,

Mary Anne, HOA Office Manager

## **Veterans Club Starting at the Meadows**

There will be a formation meeting of the Veterans Club in the clubhouse on Monday, December 6th at 2:00 PM. All Veterans in the Meadows are invited. Contact Tom Broad, 954-637-4971 if you have any questions. Looking forward to seeing you at the meeting.

## **Ballroom Dance Classes Starting**

There is some interest from Meadow residents to resume the Ballroom Dance Classes from years ago. Tom Milo, the Instructor will have class every Wednesday evening at 7:00PM starting in January 2022. The beginner's class must have at least four couples signed up. For more information call or text Tom Milo @561-251-0086. It's a fun way to get your exercise. All participants are asked to be vaccinated. Thank you
