## **Tony Guadagnino**

I have lived in Deerfield Beach for over 35 years and have been married to my wife Rosalind for 26 years. We have 2 children, Anthony, and Marina.

I am the Senior Pastor at Christian Love Fellowship Church in Deerfield Beach. I worked as a Chaplain for the Broward County Sheriff's Office, leaving to work at the church full time.

I love to help people under any conditions or situations and solve problems. I know the experiences and skills I have can help our community here at the Meadows. I have a good eye for finances and understand construction and how to save money. My experiences have taught me to be a good listener and how to solve problems at the same time showing compassion and respect. I believe the homeowners should have a voice in our community and need someone to listen to their concerns.

I have been your Treasurer for the past two years and I have worked well with the Board of Directors and Office Staff and look forward to helping the Community in the future.

## **Silvio Fossas**

My name is Silvio Fossas, and if I look familiar to you, I was appointed to the Board of Directors, during the summer of this year.

I have been a resident here at the Meadows of Crystal Lake since March of 2015. I am a Cuban immigrant that came from Cuba when I was three years old. Winter of 1978 there was a freak winter storm that made us migrate south to Florida and have resided in Fort Lauderdale since then. I worked for FedEx Corporations since 1982 and recently retired in 2021 after almost 40 years.

I am a retired fulltime resident here at the Meadows. I am familiar with a lot of issues pertaining to our neighborhood and have a good overall attitude when dealing with people and listening to their concerns as my former employment had me do. I treat my neighbors like they were my family and care about our community respectfully. I've made a lot of friends here in the neighborhood and am very active with our Pickle Ball team and Swimming Pool Folks. I attend our HOA meetings and like to know generally what goes on in our Beautiful Community.

I am asking for your support - I want to continue to work with the Board of Directors, the maintenance and office staff to continue to make this community of homes a wonderful place to live.

## **William Morris**

It truly has been an honor to serve on the Meadows Board of Directors. I was fortunate to be Treasurer and most recently as our community President. Most of you all know my business, community background and history. I spent almost 30 years in the automotive industry that I loved. I worked parts, parts distribution and director of parts and service for dealers and manufacturers. (Infiniti, Ferrari, Land Rover, and Tesla)

I spent 18 years on a Board of Directors for a HOA community of 775 homes. (townhomes, villas, and single-family homes). Over the years I served as Treasurer, legal committee chair, architectural committee chair, newsletter committee, and welcome committee. If you give me the chance to sit on the Board for another term it would be a privilege. I have been fortunate to work with a very cohesive and hard-working team of directors. From remodeling the clubhouse, new air conditioning, massive grounds improvement and the painting project just to mention a few. This team has made my job much easier. We have more to do. I want deeply to be involved going forward in any position with your support. Along the way I have met and made many great people and friends here at the Meadows. Thank you for your past and continued support.

## **John Pizzano**

I'm running for the Board of Directors because I want to make sure that all residents have a say in the decisions that have an impact on our budget and quality of life. We all have the same vested interest in our community, and I will make sure that as a board member I will help to make sound decisions of how to spend our money. I was appointed to the board in February 2023. After 1 month I was chosen to take over the secretary duties since that position was vacated. I also am running to keep the Board of directors intact. We work well together and get projects and repairs completed in a timely manner. I've been working with Mary Anne in the office, and I have learned how to run the office while Mary Anne is away. I'm the treasurer of the Social and Travel Committee, and in charge of the newsletter distribution. I'm also currently working on updating our Blue Book. My calm demeanor and honesty will help the Board of Directors with day-to-day business. I am willing to help in any way I can. I live here year-round so I will be available to help in the summer months. I have an analytical mind, so I will be able to see two sides of every issue and make sound decisions.

Thank you for your time and consideration and hope you will give me opportunity to continue working on the Board of Directors.

## Getting to know Mike Colavito

By Bill Jeffries

This month's featured resident is a "Snowbird" from New York, known to many Meadow residents as "Electric Mike". Mike Colavito is honest, humble, and always willing to help his fellow residents.

Born in April 1955, Mike credits his great childhood to having two caring older sisters Rose and Jeanette, and loving parents, Pete and Angie. The family lived with the values of hard work and honesty, that Mike still lives by today. Mike's father worked for a private sanitation company and his mother was a seamstress. Mike recalled, "My sisters always said I was the 'favorite', being the youngest, and the only boy. Maybe I was, but I still remember, if I did something wrong, mom would say, "Wait until I tell your father."

The family lived upstairs in a two-family home in Middle Village Queens, New York. My mother's parents owned the home and lived downstairs. One of Mike's fondest memories was as a young boy, going downstairs, often, to share apples peeled by his grandfather, which he allowed young Mike to dip in his red wine.

In school Mike's favorite subjects were math and girls. His after-school activities included sports and work. He played baseball and basketball and loved riding motorcycles. Around age 18 Mike discovered weightlifting. He has continued his fitness routine and considers himself a "Gym Rat."

Mike's mother reinforced the value of hard work in Mike when she got him his first job at "Mr. Softee." Mike remembered, "He paid me a few dollars... and ice cream." After high school Mike got a job working for Broadway Maintenance Company. He did lighting maintenance throughout New York City.

In 1983, he started a job as an Electrician's Helper at Elmhurst Hospital. After a few years of work and study, Mike passed a Qualifying Exam, and became a Civil Service Electrician for the city of New York. He worked for New York City for 33 years and three months.

Mike and Mary, his "True Partner in Life", were married in 2001, after a seven-year courtship. They were blessed with two sons, Peter, and Michael, and two grandchildren, Dylan, and Michaela.

Mike and Mary moved to Florida to escape the harsh New York winters and fell in love with the Meadows of Crystal Lake on an early trip south to visit family. They gave Helga Honerlah lots of credit for showing them the best of the Meadows on those early visits.

Mike has a strong appreciation for life, and his belief in God. He prides himself in, "being honest, not backing down, while at the same time, remaining humble." When asked for words of wisdom he said, "I find happiness in helping family and friends."
