

Dear Sisters and Brothers,

Are you a crafter? Do you have projects to work on during those winter evenings when we're not at a chapter meeting?

Are you willing to share your love for our beautiful Order?

At the *Heart & Soul* Grand Chapter Session we will once again be sharing our talents by offering handmade items for sale on the Craft table.

We would love to see YOUR items on the table, which raises funds to help support our International Headquarters.

Whether you bring in items to be sold, or stop by the table to purchase these items, we appreciate your support.

See you in May!
