

## ABOUT US

*Throughout our 24 years in business, we have maintained a structured program with a family atmosphere. Our large facility accommodates both full time and part time schedules. We offer hands on practical applications on customers, other students and mannequins. The classroom is equipped with the latest advanced technology to provide the best possible learning environment for students. With our Barber Course there is a high employment rate, however, we do not guarantee employment but do offer job placement at no cost. A full selection of barber equipment and essentials are available for sale to assist with the Barber profession.*

Welcome to California's *Premiere* Barber College.
