

# BOARD MEETING NOTES

The following items were discussed at the board meeting on July 6, 1994.

Chester Rick reported that rummage sale netted \$104.66. We had a good turnout and would have made \$60.00 more if we hadn't had to rent a truck. A good time was had by all and thanks go out to all the participants. Motion to offer 10 percent of gross sales to VFW Post 10188 for use of the facilities was approved.....John Shirley announced that he is going to a VFW Post ground breaking ceremony in Marana and will be recruiting for VVA also. Chapter gained three new members at the rummage sale.....Bob Taylor expressed his thanks for our participation in the bingo night at the VA Hospital. He said the patients were happy to have us there and are looking forward to our next visit on Jul 20.....Esperanza en Escalante report by John Shirley. Funding has been received by Pima county to help out high school dropouts by training them in construction. EEE will be the site for this training. There will be four ten-week training sessions for students and will also include instructors. This is a great source of free labor for the project..... Chester Rick received a letter from State Council informing us that a company wants to set up a lottery at the Tucson International Airport with some of the proceeds coming to the chapter. We need to send a letter to State Council approving this company to do that. A discussion followed concerning the organization and their validity. Terry Nolan, State Council President, is looking into this company. Motion that VVA 106 send a letter to State Council approving this solicitation upon concurrence and approval by State Council and VVA National approved.....Several letters of appreciation were read by Chester Rick from The VA Hospital thanking us for our donations of money and for our participation in bingo night.....John Shirley announced that VFW Post 10188 suggested an open house on Labor Day weekend and that organizations meeting there participate (VVA 106 and the American Legion). Motion that VVA 106 inform VFW Post 10188 that we would be happy to participate approved.
