Dear Dr Landymore-lim,

Thank you for your email.

We do appreciate you, providing the relevant information for your query.

We understand the importance of your query and we are currently looking into it for you.

We will be responding to your query via email as soon as possible. In the meantime, please do not hesitate to contact us if you have any further questions or concerns.

Thank you for your understanding.

Best regards,

Leroy Brown
Quality Specialist

Hi Leroy,

Tamil has had plenty of time to answer my questions.

Please would you ask your nutritionists or scientists to answer my questions by Monday 18 December 2023.

Regards,
Dr Lisa Landymore-Lim

Hello Leroy,

I am still waiting for an answer to my question about additives in Aptamil...any carbonates, any anti-caking agents etc.

I have copied and pasted your response going back about six weeks...does Aptamil have something to hide?

I shall be posting on my website Aptamil's reluctance to answer my questions. Please would you have Aptamil answer my questions by Friday 2 February 2024.

Many thanks.

Regards,
Dr Lisa Landymore-Lim
