NANTICOKE VALLEY HISTORICAL SOCIETY

The Museum Buildings are open every Sunday afternoon from 1 to 4 this summer and through September..

The next sale will be the BOOKS on September 11 and 12. Get those books you have finished with, out of your house and make room for the ones you'll be buying at the sale! They can be dropped off starting now, so when you're ready, call Sue Lisk (862-9705) and someone will come let you in. If you can spare some time to get the books set up or to sell, please tell that to Sue Lisk, or Sue Hoskins (862-9437).

There will be some **CDs of the music of the Endicott Johnson** era available at Historical Society meetings for \$15.00. See more about them on another page.

The September 15 meeting program will have Betty Welsh telling us about the Old School in Maine. It was a four room school that stood behind where the J. Ralph Ingalls building does now. It had a big bell which is still around. We can be sure there will be lots of what ever there is available to look at, at her presentation.

Maine was a center of business and population, so it needed more than a one room school would provide. The one room school we have to show was not from the immediate area of Maine. It resided near the intersection of Campville Road and Cafferty Hill Road.

A trustee meeting will take place at 2:00 on Sunday September 13.

We will be having a **Christmas stuff sale the first week of November**. Please start digging out things you no longer use for your holidays. We plan on being open Thursday evening and Friday and Saturday daytime. This one will take place in the meeting room of the Museum, entering by way of the ramp. That will give us electric lights and heat, as needed. Call for times to deliver things.....785-9207, 862-9437, or 862-9705

If you have had work on your house or another place you are involved with, and you are very pleased with the people who did it. Please give the name to Tom Kotasek or president Sandy Rosek.. We will be needing to hire work done on our buildings.

We are now trading News Letters with the Town of Binghamton Historical Society, so you may be seeing something from their's that is of special interest.

You'll be seeing a nice high tec. Recorder being used to record some meeting programs. It is available for oral history gathering. It is provided by the History Channel, and came to us via the Center for Technology. It is on permanent loan to us.

Other Happenings of Interest to Historical Society Members

The EJ Shoe Tunes CD is now available at \$15.00. It is an hour and a half of a tremendous collection of the kind of music people would expect to hear at an Endicott Johnson function "back in the day." You will hear Anita Shipway's voice in the EJ Shoe Tunes chorus put together to record some EJ songs, and Nancy Berry's telling about her father's connection to the recreation programs of the Endicott Johnson Shoe Company. They will be available at some of our program meetings and at the Johnson City Senior Center.

Meetings are taking place to receive thoughts and ideas of persons interested in a future for the J. Ralph Ingalls School Building. It has been cleaned and repaired a great deal over the summer and is ready for serious direction.

Meetings are the third Monday of the month, and the next one will be at the Town Hall, September 21 at 7:00. Call Nancy Berry (862-4527) for more information.

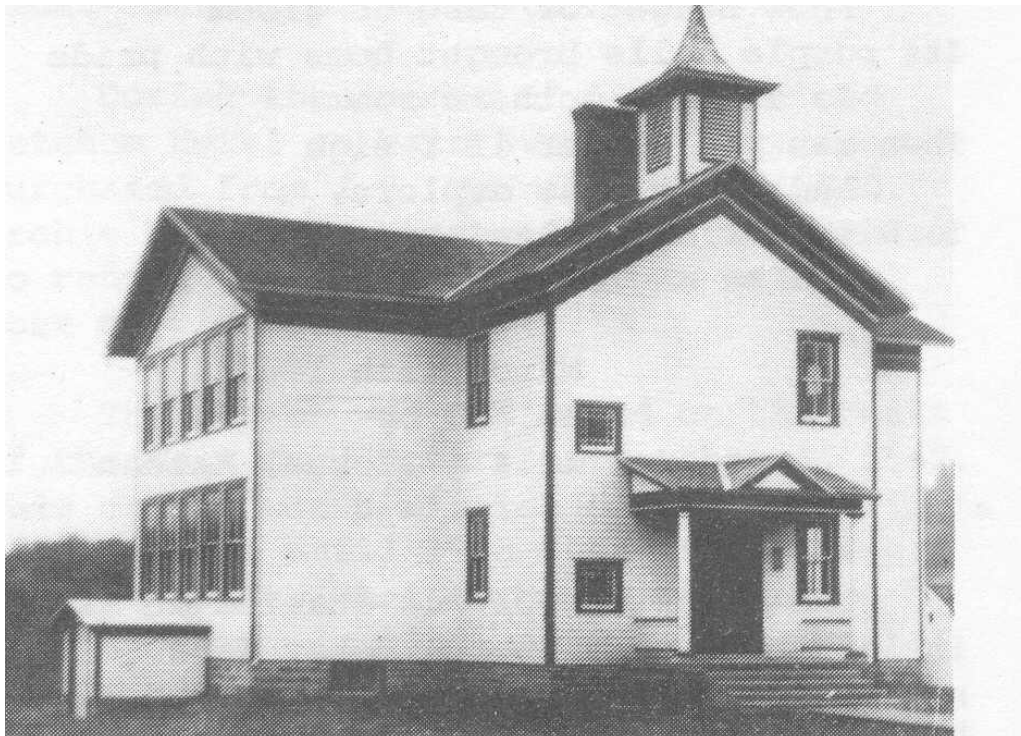

In a Binghamton art show pairing poems and photographs addressing the same subject, one of the subjects is the inside of our mill. The show will be in the River Muse Cafe near the No.5 Restaurant (closer to the river.), and it will hang until the 18th of September.

The Maine American Legion will begin its fish fry dinners October 2, and the third Saturday Chicken and Biscuit dinners will be starting then too.

The next Maine Lodge of the Masons Roast Beef dinner will be Sept 12, 4:30 TO 6:00

They are every month.

There is, on the internet, a nice piece written by Mike La Porte, Professor Emeritus at SUNY and an Endicott Boy. The title, [The Mob on the Nob, The Mafia I Knew](#) tells what it is about. As a reminder to those who were here when the Apalachin raid happened and an introduction to some local history for other folks, it is very helpful. AmericanMafia.com is the place to look or just Google the whole title along with his name.

Remodeled MAINE SCHOOL used until 1940.

What a wonderful project the vintage fabric sale turned out to be! If you weren't able to work on it you missed the days and days of "Christmas mornings" as people pulled things out of boxes and yelped and sighed and grinned all over. Then when the customers started coming, it was almost the same thing. We sold a tremendous amount of stuff on the two days scheduled and then, after everything had been taken down, it was decided to give it one more day the following weekend.

Next year we will do it again, certainly. We have kept needles and lace and buttons to go into that one, and still-left-over fabric will get another chance of sale during the Park Manor Garage Sales on September 19.

Our pledge as a Historical Society is to preserve history and to make it available to the people. This kind of sale actually fills a number of those criteria. Hearing someone saying, "Oh, that's 'double knit?'" I remember hearing of that." really brings to mind what a little way back we need to go, for something to become historical!

A lot of work went into getting the word of the sale to people who teach sewing, doll collectors, shops which sell "Victorian" items and other things in that style, Scout leaders, clever Christmas present makers, and on and on. It really did work, as we found we had customers from a wide area. Many people said they hoped we would do it again.

And, oh, the service of making a way to get those things to someone who can use them.... All of us in the "down sizing" time of life are so happy to have a place to send our wonderful/useful/beautiful supplies.

A list is already being kept, of people who especially asked to be notified beforehand, of the next fabric sale. If some one has spoken to you about it, you can e-mail their address to Anita Shipway at Brush-cut1@juno.com or write it down for her. If there is no e-mail address, a phone number will do. We'll have someone making phone calls too, though remember that once the list is in the computer, it is but the poke of one button to contact everyone on the list.

HISTORY OF GIRL SCOUTS IN MAINE AND UNION CENTER

In 1940, Troop 52 was organized in the Town of Maine and the first meeting was held at Mrs. Kenneth Koons' home, as she was the leader. It had ten girls attending the Brockett Hollow School. They were a lone troop as they were so far from Endicott, thus having to pay \$25.00 a year plus 50 cents a girl to register. The first year the girls had a box social and a puppet show to raise money. They entered competition in Endicott and won 1st place. They also entered a competition in Binghamton collecting tent caterpillar nests on twigs and won.

In 1941-54, Troop 52 met in Maine Central School. Mrs. Warren McGregor was the troop leader and the troop was noted especially for its singing. By this time they had become part of the Endicott council and did not have to pay the \$25.00 fee.

In 1945, in this area five new troops were organized. Three Brownie troops, and an Intermediate troop and a Senior troop were started. Mrs. Ira McKeeby led the Senior troop. These troops met at noon in the schools, and every girl in Maine and Union Center could join. Mrs. W. David Crockett had a Girl Scout Chorus Club sing at council meetings and on T.V. Mrs. James Babbitt had a Girl Scout Band and the Marionette Shows were on T.V. nineteen times.

Between 1945-61 a Girl Scout Day Camp was instituted. A camp was held at Marean's Grove. Mrs. Robert Kjellguard was the first camp director. Mrs. William Ellis was the second

director.

During 1961-64 the Scout Council of this district operated all day camps, and at this time the Maine and Union Center camp was closed.

In 1965 the Maine Kiwanis Club started buying camping equipment for the youth groups and now all Junior, Brownie and Cadette Girl Scouts can camp at the same time.

In 1965-66-67 Troop Camp was held at Greenwood Park for Juniors, Cadettes and Seniors.

During 1968-69-70 Troop Camp for all Girl Scouts was held at Town of Maine Grove. Several groups have back packed in the Catskills, canoed in the Adirondacks and hiked the Appalachian Trail in Pennsylvania.

In National and Council events our Girl Scouts from the Maine and Union Center troops have been represented. These troops have taken many trips to nearby historical sites, including nine trips to Washington, D.C., and Williamsburg three times.

Under Community Service rendered by the Girl Scouts in this area are: Play Kindergarten, teaching camping skills at the State Hospital, aides at Ideal Hospital and leaders of Intercity Troops. Over 5,000 hours of volunteer community service were contributed by the girls of the Maine-Endwell Senior Troop #6 in the first five years they were registered. The Maine girls have done well in Regional and National competition events. Four girls, Denise Edwards, Elaine Welch, Marcia Bell, and Dot Gemmel, were chosen to represent New York State at the All State Rendezvous in Wyoming in 1969. Mr. and Mrs. Kenneth Koon, Mrs. Doris Barre and Mrs. W. David Crockett accompanied the girls on this trip.

Mrs. W. David Crockett received the "Thanks" badge from the National Organization in May of 1968 and in March 1972 at the annual Juliette Lowe Observance Mrs. Kenneth Koon received this award. The "Thanks" badge is the highest award given by the National Girl Scout Organization to volunteers for service in adult girl scouting.

For the first two years the club met in the Masonic Temple of Maine with the Eastern Star putting on the meals. Since June 1959, this club has met at the Broome County Airport in the Voyager dining room.

Maine Kiwanis sponsors three annual events - a Pancake Supper in April, Strawberry Social in June and a Chicken Bar-B-Q in September. Monies earned at these functions are used in supporting the Maine Girl Scouts and Boy Scouts, the Teener Baseball League, Maine-Endwell Relay (track meet) and the Key Club at M-E High School which was organized June 12, 1961.

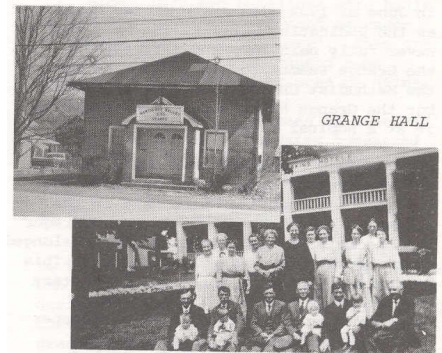

The Kiwanis also supports local civic programs and conservation projects by planting trees. The club gives \$50 and a medal each year to the best High School Shop Student. NANTICOKE VALLEY GRANGE

Union Center Grange No. 1153 was organized December 26, 1908, which was an out-growth of a meeting held in the schoolhouse for that purpose. It was organized by J.E. Evans, County Deputy at that time, assisted by Master Hovey of the Vestal Grange. The success of the meeting was 34 charter members. They were: Mr. & Mrs. Rossi H. Oliver, Mr. & Mrs. Fred L. Westcott, Mr. & Mrs. M.J. West, Mr. & Mrs. Elber Chrysler, Mr. & Mrs. George Frederick, Mr. & Mrs. Frank Dunning, Mr. & Mrs. Owen Shoultes, Mr. & Mrs. George Brooker, Mr. & Mrs. Venley McGregor, Mr. & Mrs. Allen Woodard, Mr. & Mrs. James Chrysler, Mr. & Mrs. Thomas Wright, Mr. & Mrs. Wessan Wilbur, Mr. & Mrs. John Hendrickson, Clarence Westcott, Henry Ingalls, Archie Pitcher, William Wright, Miss Leona Wright and Vern Chrysler.

The first officers elected were as follows: Master, George Frederick; overseer, Frank Dunning; Lecturer, Mrs. Hattie Dunning; Steward, Fred Westcott; Assistant Steward, Venley McGregor; Chaplain, George Brooker; Treasurer, Elber Chrysler; Secretary, R.H. Oliver; Gatekeeper, O.B. Shoultes; Ceres, Leona Wright; Pamona, Isa Chrysler; Flora, Laura West.

MAINE GRANGE MEETING 1921

After the election of officers the following committee was appointed to find suitable rooms to hold regular meetings: Owen B. Shoultes, George Brooker, Frank Dunning, George Frederick and Rossi H. Oliver.

The first two meetings were held in the Union Center Schoolhouse, and

then rooms were rented in the Whittemore Block, Union Center, where meetings were held for several years. In August of 1909 at a picnic at the Casino, Rossi H. Oliver was appointed to manage the ball team to play against the Binghamton Grange. Also in 1909 the group appointed John A. Robinson to see what the Bradley Creek School house could be bought for. The reported price was \$175.00.

In 1910 a committee was appointed to make plans for building a new hall, but these plans never materialized. The matter of a hall was brought up again in 1919, and, after considering different plans, an old rake factory was purchased in 1920. Here meetings were held for a time. Then the building was moved to a new foundation which had been built on a new site - presently the corner of Maine Road (Route 26) and Nanticoke Road in the center of the village of Union Center. During the time this building was being remodeled, meetings were held in the homes of members. A stock company was formed to finance the hall. It was dedicated in June of 1922 with state master Manning as the Dedicating Officer. The hall was never fully paid for, and interest in the Grange seemed to lag so that in 1931, the Methodist Church took over the hall, but the Grange had the privilege of using it at a nominal rental.

In 1940 the Grange was moved to Maine, and the present name of Nanticoke Valley was adopted. Meetings were held in the old Maine schoolhouse. Venley C. McGregor was the only charter member who had belonged continuously since its organization. This Grange has furnished three Pomona Masters and two State Grange officers; George William Young, who was elected Gate-

keeper at the State Grange meetings held at Binghamton in 1922, for two years and Ralph Young, elected to the State Office of Gatekeeper in 1943, to Steward in 1947 and to office of Overseer in 1951. He was Deputy Grange Master in Broome County 1937-43. Mrs. Ralph Young was a Juvenile Grange Deputy in 1956.

Later in 1945 they purchased the old Town Hall building which also had previously been used as a movie house. Grange meetings were held here until 1973 when due to decrease in membership they decided to sell the building and they now meet in the Federated Church.

In 1890 Grange #627, called "Maine" Grange was formed with C.N. Guy as the first Master and D.C. Fisher as the first Secretary. This particular group did not last very long and members were absorbed into other granges.

On May 23, 1932, Union Center Juvenile Grange #230 was formed with nineteen charter members, eleven boys and eight girls, by Mrs. Frank Arnold. First officers Master, Howard Woodward; Overseer, Alfred Nelson; Lecturer, Irene Mills; Steward, Andrew Sissenstein; Assistant Steward, Harold Walters; Chaplain, George Mills; Treasurer, Guilford Woodward; Secretary, Mildred Young; Gatekeeper, Raymond Pearsall; Ceres, Zalda James; Pomona, Arlene Dyer; Flora, Audrey Dyer; Lady Assistant Steward, Jean Young; Matron, Anna Sissenstein. Other charter members were: Gordon Woodward, Donald Nelson, Harold Dyer, Anna James, Sarah Mills and Robert Walters.

This Grange was an Honor Grange for two years. They received a prize for the lecturer's book in a Broome

County contest and in 1939 received first prize in the county for all state contest entries.

In 1956 the Juvenile Grange was reorganized as the Nanticoke Valley Grange #679 in Maine.

HOME BUREAU

The Home Bureau was formed during World War I mainly to help women with food rationing problems. In the 1920's Anne Philips Duncan was the Home Demonstrator Agent for the county and came to Maine regularly to help the women make hats, learn how to upholster furniture, etc. In the 1940's the name was changed to Broome County Home Extension. The group in Maine was active until the mid 1960's.
