NANTICOKE VALLEY

History is everywhere! Reading boxes and labels during the Christmas Stuff Sales turned up these interesting words and names:

Made in West Germany
McLeans of Binghamton and Owego
Made in the Philippines
Occupied Japan
Czechoslovakia
Taiwan
Made in America
France
Eire
Sisson's
Phila. Sales
Fowler, Dick and Walker

Even more items have come in since the first weekend sale. **Saturday, December 5, the wonderful Christmas Stuff Sale will again be open.** Please come. Please come again, if you have already been there, and please bring other folks.

I think that just about every item on the long list, in the last News Letter, of things that might be brought for the sale have been brought. I still see artificial trees from 10 feet to tiny, manger scenes of several sorts, satin sheets and so forth.

There are tremendous bargains to be had, not only in Christmas decorations and dishes, but in the little things for stocking stuffers and Mother or Teacher presents. The workers have laughed that the amount of goods is now low enough to see what there is! There has been so much wonderful Stuff, thank you all for bringing it.

Dr. George Young was in Maine with Dr. William Butler by 1860. He was born in 1826 in Schoharie County, New York, came to Maine in 1854. On census, military rolls and jury lists he is listed as a farmer not a doctor!

When the sun goes down and the blue from out the sky As the day with its twilight ends, How I sigh for thee, as I'm sitting all alone,

When I think of my home and my friends; For still do I dream of the many, many days That come like a charm to me then

Any my heart would break if I thought thou could'st for-Should I live to behold thee again.

When the sun goes down in the silence of the night . Oh! my heart how it sighs for home Yet still I would stay in my solitude away. If a change o'er thy spirit should come. For all that I prize is thy merry merry laugh And my fate on thy friendship depends For my heart would break if my hand thou would'st forsake Should I greet thee at home with my friends.

Though the day be bright and cheerful as of old I rejoice not to share in its light For my heart is sad in its loneliness away Be it day or the solitude of night. But oh, it is sweet, with a sorrow at my heart To pause as the stars descend, And to think of thee in a region far away As the pride of my heart and a friend.
