Trails & Equipment

The equipment is up and running. We did have two breakdowns this month. The first of which as a hitch pin on the 3-point hitch on the tractor. The second breakdown was a blown hydraulic hose on the mower. Thanks to Bruce Peyton, Dan Bullis and Dan Coyle they had the mower up and running in a few hours. We are so fortunate to have such willing members that have the expertise and experience and the willingness to fix our equipment!

Shout out to Lowell Severson and Ron Sager for helping to clean up the pole barn.

Mowing has begun. Thanks to Ron Sager and Ron Bourgin for working on this task.

We are still looking for volunteers to weed-whip and clean up trails. Contact Ron at 715-259-3405 or Dan Bullis @dan.bullis58@gmail.com, if interested.

We are still needing a couple of volunteers to ensure paved road trail crossings are free of gravel. We have a blower and paddle broom available for this. If you are interested, please contact Dan Bullis. He can be reached at dan.bullis58@gmail.com.

Our Trail Ambassadors have logged in 65 hours for the month of June. Year to date they logged a total of 165 hours. Thank you for riding the trails and passing on important information to those you meet on the trails.

The club is still looking for groomers, mowers, trail workers, mechanics, and welders. If you have the time, we would appreciate you stepping forward to volunteer. Contact Dan Bullis our Trail Boss at dan.bullis58@gmail.com or Ron Gray our President, at 715-259-3405 if you are interested. Necessary training will be provided. Dan Bullis will be contacting past groomers for their availability this season.

A question came up at the June meeting regarding the 'numbers' on trail intersections. Ron checked with Forestry and Suzie will be including these numbers on future maps.

PUBLIC COMMENTS:

A question was raised about the club's fuel costs. The Club will be looking into a program that may offered by the State. More information to follow.

A member asked if we are still planning on purchasing a new tractor next year. The answer is yes. Cheryl reported that grant checks should be coming in shortly and reminded all we ensure there is money for updated equipment.

There were some 'signage' questions raised in the group. The signs are missing near the Fishbowl and the Reservation. It is prohibited to ride the ditch between Fishbowl and the Reservation. You will be ticketed. We will check to see who removed the signs and ensure they are re-installed.

There was also a question raised about the fence that was damaged and needs repair along Hwy 35 over the Yellow River in Danbury. Ron will touch base with George on this.

Shirts and hats are only \$15.00 each, and dust masks and heat transfers are only \$5.00. Apparel will be available at future club meetings but if you are unable to get to a meeting, contact either Ginny or Sue directly at ginluka26@gmail.com or susanweiss51@yahoo.com on how you can purchase a shirt (or two). Sweatshirts coming this fall. Preorders will be happening soon!

REMINDERS:

If you are interested - Trail Ambassador training consists of on-line computer training and a background check and of course hands on training. The time commitment is only 8 hours per season. However, you can patrol more hours than that in a season, should you choose to. Basically, you are out there informing the riders, you are not the 'police'. Ambassadors are all about safety, awareness, and education. This is NOT an enforcement position.

Dirt bikes are NOT authorized on the trails. If you see dirt bikes on the trails, report it to the Burnett County Recreational Officer, at the Burnett County Sheriff's office.
