

# Woodlands Project Priorities

1. Garbage Fence – Adding an additional door to the fence on the back garbage can area to make more room for trash cans and easier access.
2. Landscaping
  - a. Phase 1 - Removal of dead and overgrown bushes.
  - b. Phase 2 – Planting

Specific plans were reviewed and discussed at the 2<sup>nd</sup> quarterly meeting. For more detail on plans please reach out to an HOA board member.

3. Crossties
  - a. Professional to assess all remaining crosstie sections that have not been updated and determine the order of importance for replacement, as well as if any sections are at risk of causing damage to surrounding property.
    - i. Specific request to inspect the crossties behind unit 31 & 21/22
