Knights

Calling all 3rd and 4th-grade school students, listen up! Our school is hosting a competition, and we expect you to showcase your team skills. This competition is open to everyone, and we will begin with an acrostic poem challenge. Our school is represented by "KNIGHTS," but you may use any word or phrase you prefer. If you have talents in the arts, rap, music, storytelling, or singing, incorporate them into your poem. Once you've created your masterpiece, share it with the class. The winning poem and writer will be featured in the September 2023 issue of The Knights Newsletter, and the framed poem and writer's photo will be displayed in the lobby. Bring your best game, and let the best poem emerge victorious!
