

Threatening affirmed belief Chew phrases from movement of one location in bed or room to another. Ex: just a few ago around 11:45pm in room 32 at the lodges 2401 W. Grand Street Maplewood lodge on 3/31/2023 a woman used voice to skull while I have my earplugs in. She said "we can't skin him without a family".

Passive supportive statements, compliments, and telling you it's okay when completing actions favorable to themselves

Speaking comments above your thoughts 3 second before you finish your thought and come to the conclusion.

The +/- packaged stuff sentences

The love me whore torture

The You know, passive false suggestion.

The You need

Calling you a murderer, Jarrod laughter.

Calling you psycho, narco, and crazy.

The do you know how much/many. The fake I know/you find.

Time travelers that have been turned hypersocialized by childhood social networks over electronic contact lenses.

Psychosocial torture.

The I know, You Find Assertive Dominance Mortification. Ex: Its sad news.

Seeing the pornography you visualize in your brain and insulting you.

Mortification. Saying you were always murdered. Saying you'll be killed at a date and that date passing tland them resetting over and over the never date of your arrest or murder. Ex: As of now 12.25.22, they said January 1st I am killed, 3 weeks ago a guy said "Its January 3rd", 60 days after the 7 day wait. False imprisonment torture.

False execution imprisonment threats.

Talk to head technology. Simulated schizophrenia. Cannot call police officer because criminals remain undetected by using cloaking Stealth technology allowing them to exist in a lawless second space.

Ego drown

Blaming. In 2011 the government enrolled me into MK Ultra, legally from that point, I am not responsible for anything. That's a terrorist illegal program. Because of MK Ultra, my family is in

hell with the sole survivor 6 months from joining them all for government incomes 6 figures.
Government inadament objects are cheap stupid meat for hire.

Fame, greatly afflicts the person

disgrace,

Shaming

Gaslighting

Their technology reads your brains pleasure regions and provides them HUD words to beat pleasures sensations out of you such as eating, grabbing a dip, showering, masterbating,

Long term priming

The US government CIA, FBI, and military is paid to provide a constant stream of words across your head.

Assertive dominance, trying to manipulate someone into feeling you are an authority figure that should feared.

Arrogance

Hell threats. Threats to cut you up.

Boasting like thieves

Impunity psychopaths. No laws. No rules.

Schadenfreude

Jealousy

Biggest spy competition. The Government gives them a lot of false confidence that simply cannot be beaten by controlling the oxygen atom for any animal life.

Using your love for your lost family to harm you, demonize you, and rub it in your face.

Fate mongering. Saying false future outcomes.

They try and create learned helplessness.

The "do you know's". Creating a I know and won't yell you. They want you to crave the outcome info they catch.

Every healthy intake they talk to your skull

The 1 sentence The And's...creates a lie of a fake conversation. They want you to believe in false things, that you have no hope, and they are rape dominant controllers. They're really clinically diagnosed psychopaths that belong in insane asylum for the criminally mentally ill.

The You knows . I know you find.

Supersocial "his social delivery"

They talk like child bullies in school as well as satanic terrorists

They use women primarily to try and lower your self esteem because you are straight and without a woman.

Ego though drown

They use low level microwave radiation talk to skull technology and cloaking technology to give you a helpless from law enforcement experience of simulated schizophrenia, one of the evil ways to kill someone this slow. 3 million schizophrenia will learn. You have schizophrenia which are hallucinations and what is called "high level" psychic awareness. I am a high level psychic that is tortured in 2 ways using hundreds of invisible agents, talk to head and high level psy "we got to skin him" psy right now. Threats of future harm in a life extension.

The Fox news technique of "everybodys" everybody's or everyone's talking this or thinking thud to try and greatly afflict your person.

Ego generation, hypersocialized youth. Social media created and supported the illusion of the true spiritual self. The Tao Te Ching helped me understand the ignorance and evil of the religious radicals in America and how a few social networks were used as a homicidal weapon for the few freedom fighters and paid social entertainment for others. They have created the gestalt. The Americans created the largest and most expensive criminal terrorist network in the history of the world.
