The Commissioners reviewed and approved P/R & A/P Manifests.

The Commissioners met with Kieran Murphy, Manager of HB Refuse District. Discussions were regarding the increase in residents bringing items to dispose at the dump. Increase is due to seasonal residents coming to the lake earlier this year due to COVID. This in turn has increased the number of dumpsters being picked up by Waste Management.

Further discussions regarding the set-up of a new compactor will decrease hauling costs.

Meeting adjourned at 9:30pm.
