<https://www.akc.org/legislative-alerts/california-victory-ab-702-pulled-committee-agenda/>

AKC has been notified that California Assembly Bill 702, which would have regulated all breeders in the state, will be pulled from today's committee hearing agenda and not be considered this year. As such, we no longer need clubs and hobbyists to make phone calls during today's meeting.

AKC extends a huge thanks to all the club members, federations, and breeders who took the time to contact the author's office and committee members over the past several weeks. Your efforts made a tremendous difference for dogs and responsible AKC breeders!

AKC Government Relations staff had numerous meetings and communications with the author's office, committee members, and key staff members. Your phone calls and letters supported these efforts and demonstrated that AB 702 was not a good solution for California.

We also thank the California Animal Welfare Association, NAIA, sportsmen groups, and many others who also worked to advocate for a better solution for California.

AKC looks forward to working with California lawmakers, shelters, clubs, and other stakeholders to develop reasonable, effective solutions that will truly benefit animals in the state.

We will continue to provide updates on California legislative issues. For questions or more information, contact AKC Government Relations at doglaw@akc.org.

Brady's first intermediate Rally class went very well today at the OCSDC trial. He qualified for his first leg and received 2nd place!

Thanks,
Terry Schonhoff/Pat Monise

Basset Hound, “Vinnie,” “GCH CH CT Legend’s Blazing Saddles of Wild West, BN, RM, RAE, CGCA, CGCU, TKA, ATT”, passed his 3rd tracking test in a row! Vinnie earned the title "Champion Tracker" upon passing the Variable Surface Tracking Test (VST) on May 2, 2021, held by Agility Club of San Diego County. With his new title, Vinnie also meets the eligibility requirements for the Versatility Certificate Master (VCM) from the Basset Hound Club of America! A huge thank you to Kay Hawthorne for teaching us this super fun sport! And thank you to Aly, Debbie V and Debbie R for the training sessions that helped make it happen!

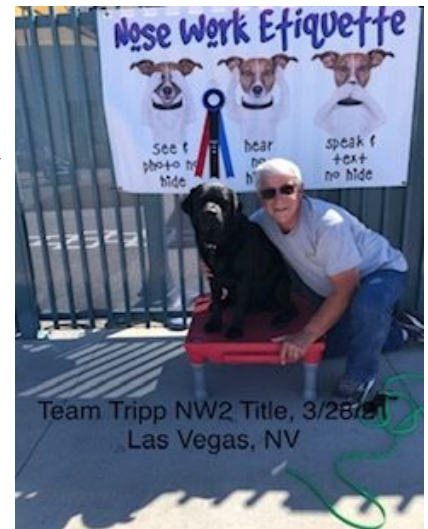

And then On May 8 at our Club’s Scent Work Trial, Vinnie earned his Container Novice and Exterior Novice titles. Now he’s GCH CH CT Legend’s Blazing Saddles of Wild West, BN, RM, RAE, **SCN, SEN**, CGCA, CGCU, TKA, ATT

Team Whisper competed in their first NACSW, NW3 event in Las Vegas this past March. We earned our first NW3 Title. We were 1 of 8 teams that Titled, of 35 competitors. (3 - NW3 Titles (score of 100%) are needed to move to the Elite level).

Team Tripp earned their NW2 Title in Las Vegas in March with 2 pronounced runs. He was 1 of the 13 who Titled out of 37. Tripp is a “methodical/careful sniffer” who makes us very proud! He’s pictured with his “co-pilot”, his Dad, Greg.

Team Tripp was awarded High In Trial from the Advanced Nose Work class at our May trial. His methodical/steady style once again made us proud!

Full Moons Woodyly earned her Novice Rally at our trial and her first leg in Advanced in our second trial this year.

Full Moons Jackson earned legs number 5 and 6 towards his Rally Masters Title.

Thank You,
Debbie Vachal

The AKC recently asked the club to be part of their Regional Meet the Breeds Show to be held in San Diego on August 14-15 at the San Diego Convention Center. Our club will host a booth and Aly is currently in charge of obedience and rally demos. We're bringing HVOC in to get more obedience (and more rally). If you would like to volunteer to help with this, please contact Aly Deines — aly.deines@gmail.com. This is a first for AKC in this area of the country!!!
