

# Partner with North American Bancard and power your business with payments hub.

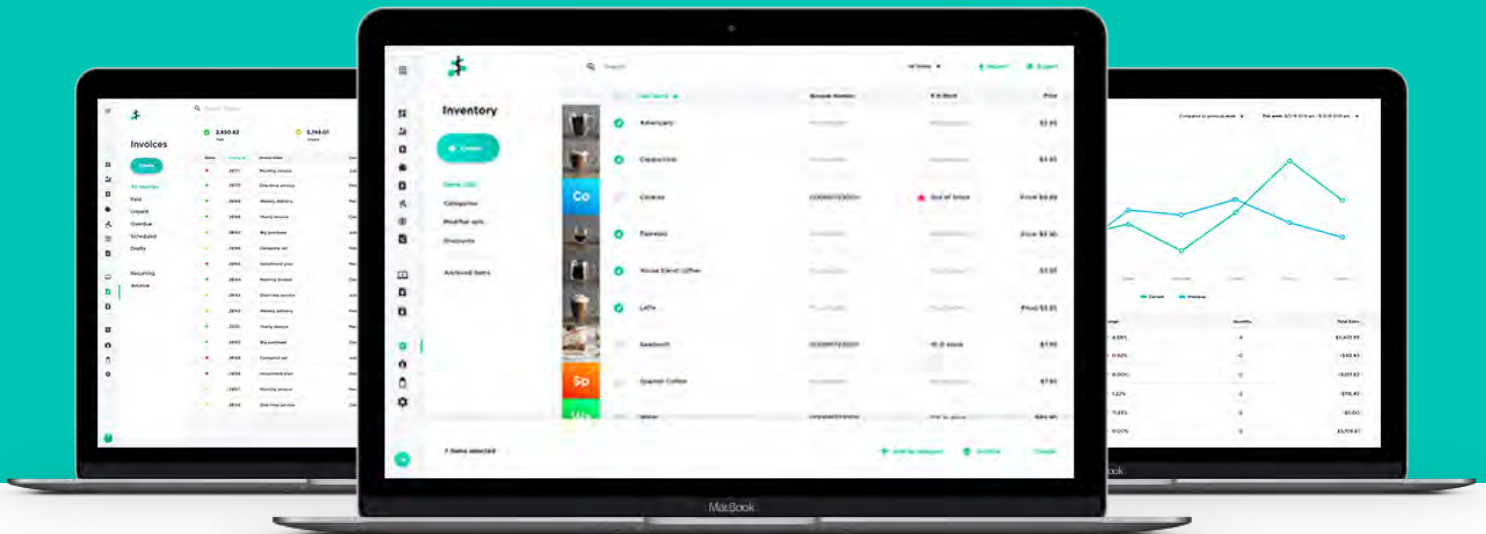

Maximize your profitability with anytime access to Payments Hub, your very own secure, online merchant portal! Once you do, you'll leverage all the industry-leading perks, tools, and solutions you need to streamline your operations and take your business to a whole new level.

With Payments Hub, you get one centralized online location for everything you need to run your business more efficiently than ever before. Need to update your account, manage your chargebacks, or order supplies? Simply log in from any device!

**Partner with NAB today to put the power of Payments Hub to work for your business!**

Note: Depending on your account and Payments Hub subscription, some features and functionality displayed may not be applicable to you.

# The quicker, more convenient way to grow your business.

Partner with North American Bancard today to get instant access to Payments Hub — offering everything you need to increase your sales, including:

A virtual terminal so you can perform card-not-present transactions from right within your web browser.

Robust dispute management tools including chargeback reduction.

Invoice management including automated, emailable invoices.

Quick and easy account profile management.

Custom reporting that allows you to view sales activity, track your customers, access statements, and more.

Convenient supply ordering (receipt paper, etc).

**Ready to put the power of Payments Hub to work for your business?  
Partner with payments technology leader NAB today!**
