## ABOUT ME

*Hello! And congratulations on your upcoming wedding!*

A little bit about me...

I have been a make up artist & hair stylist for over 15 years. After training at the prestigious Delamar Academy in London my career path has been varied. From tv and film to arena tours. But the last few years I have worked mainly in the fashion and bridal industries.

I have recently relocated to the North Wales/Shropshire border after being based in London and Hertfordshire for the past 15 years. I'm looking forward to continuing my business in this area and meeting lots of new brides to be!

# MY ETHOS

Your wedding day memories will be treasured for a lifetime. And looking and feeling your absolute best on your big day is so important.

I believe in always enhancing your natural beauty and creating a timeless look.

My experience working in the fashion industry means I can bring this level of artistry and expertise to your wedding day hair and make up. I love creating flawless non heavy make up that lasts all day. And hair that looks and feels effortless and beautiful. All whilst remaining true to your own personal style.

I work with YOU to create YOUR perfect look!

## THE TRIAL

*After an initial email we can then arrange a trial date. This will normally be around 3 to 4 months before your wedding day.*

*Trials are held at my home studio in Overton-on-Dee.*

*At the trial we will discuss your overall look including your dress. And trial your preferred hair and make up style. We will also go through your skin care routine leading up to your big day. Please bring any reference images of hair and make up styles you like. And if you have your hair accessories and/or your veil please bring them along too.*

*I allow around 2 hours for a hair or make up trial. And around 4 hours for a hair and make up trial. This gives us plenty of time to really perfect your look.*

*I will send you more information on how to prepare for your trial a couple of weeks before your trial date.*

# THE WEDDING DAY

*On the morning of your wedding I will arrive 30 minutes prior to my start time to get set up.*

*Following your personalised timetable I will start styling your bridal party's hair and make up first. (Please allow up to 45 mins per bridal party service.) This means you will have plenty of time to relax and open some fizz before I start styling you, the main event! (Please allow 1 hour per bridal service.)*

*I will aim to be finished 45mins-1hr before you have to leave for your ceremony. This is to ensure there is enough time for you to get into your dress, help you with your veil, have photographs taken and any final touch ups can be done for you and your bridal party. I'll be with you right up until you leave for your ceremony!*

# FAQ

Q. How far do you travel?

A. I can travel up to 1.5hr from my home address in Overton-on-Dee to your getting ready location. Distances longer than this may require an overnight stay or early start surcharge. Any additional costs will be discussed at time of booking.

Q. How many people can you accommodate on the wedding morning?

A. I personally can usually only do up to 6 services including the Bride. Depending on the time you need to be ready by.

E.G Bride Hair & Make Up plus 2 x Bridesmaid Hair & Make Up.

Or Bride Hair & Make Up plus 4 x Bridesmaid Hair or Make Up only. Any additional services may require another hair & make up artist. Either booked by myself to work alongside me. Or you can book an additional make up artist and/or hair stylist for the rest of your bridal party. This will be discussed at time of booking as the amount of services I can do totally depends on your wedding day timings and getting ready location.

Q. Can I try 2 completely different looks at my trial?

A. Trial prices are based on trialing variations of your preferred look. If you wish to trial a completely different hair style or make up this will be charged at an additional £40.(E.G wanting to trial Hollywood Waves and also an up style).

Q. Can I bring someone to my trial?

A. Yes of course! But please be aware I can only accommodate 1 guest at my home studio.

Q. Do you do trials for bridesmaids/mobs?

A. Yes. But these can only be booked alongside a bridal trial at an additional cost. Please enquire at time of booking.

Q. Will I require touch up items for my wedding day?

A. Unfortunately lipstick won't last all day through to evening. So I do always suggest having your own lip colour so you can reapply throughout the day. If you already have one in mind please bring this along to your trial. Or I can make suitable suggestions at your trial. It's also worth carrying blotting papers or a translucent powder on the day if you are prone to getting oily.
