Who we are:

Giles House of Confections is a custom bake shop with an audacious fervor for providing delicious southern desserts made from inherited family recipes using real ingredients. Our confections are made to order and shipped nationwide and internationally. Our hearts, love, and passion are added to every confection we create. From our fabulous birthday cakes to our Triple Chocolate Chunk Cookies, every detail, every ingredient is handcrafted and selected especially for you. We are Giles House of Confections, and we bring your edible dreams to life. TM

Our Vision:

The vision of Giles House of Confections is to transform the bakery industry by providing desserts made from scratch with real ingredients that can be shipped nationwide and internationally without the use of hazardous materials such as dry ice.

The Competitive Edge:

Our competitive advantage is simple, “we bring your edible dreams to life”. We create delicious and spectacular desserts that are shipped or hand delivered damage free! Our customers can order cakes, cookies, etc. for any occasion and have them shipped to their family members, and friends Our prices are competitive and our desserts are massive!
