Introduction

Valorus Sports and Club Bàsquet Santfeliuenc organize the **3X3 Super Liga Pro España**

With the aim of promoting 3x3 in Spain, showing the best teams of the FIBA 3x3 World Tour, as well as the participants of the FIBA 3x3 World Challengers.

This first edition will have special interest in the plurinationality of the teams that have previously participated in FIBA 3x3 tournaments.

Competition Format

The Super League Pro 3x3, in this first edition will have 3 stops, throughout the territory of Catalonia.

 Super Liga Pro 3x3 Spain

	LIMITED REGISTRATION www.3x3superliga.pro	

Participants

Each stop will feature 12 men's teams, over 2 days of competition.

During the initial 2 stops, the teams will play a group stage and then a knockout stage in the final phase starting from the quarterfinals.

The 12 men's teams from the regular season (stops 1 and 2) will qualify for the FINAL.

Registration Mode

In order to register, teams and players must be registered well in advance on the FIBA platform <https://play.fiba3x3.com>

Participating teams will be selected from pre-registered teams that meet the FIBA criteria and facilitate the achievement of the % of participants of different nationalities.

Priority will be given to teams composed of players who individually have more than 20,000 points, even if they have passed the FIBA minimum criterion of 12 players.

The Organiser reserves 2 invitation places at its discretion for each competition.

Awards

- 1- The winner of the Super Liga Pro Spain Final will get an invitation to the main draw of one of the FIBA 3x3 World Tour Masters and the runner-up will get an invitation to the World Tour Master in qualifying.
- 2- The winner of each stop of the Super League 3x3 Pro will get an invitation to one of the FIBA 3x3 World Challenger.
- 3- Each stop will award a cash prize of USD 20,000 according to FIBA criteria.
 - a. First place USD 10,000
 - b. Second place USD 4,000
 - c. Third place USD 2,000
 - d. Fourth place USD 2,000
 - e. Fifth place USD 1,000
 - f. Sixth place USD 1,000

Points from each stop for the tour classification

The final ranking is calculated (and displayed in play.fiba3x3.com) for tournaments and tours. The final ranking of a tour is based on the calculation of the tour ranking, although it is voided in the event of a final event.

Ranking points for the final leaderboard are awarded in all tournaments, whether they are standalone, part of a tour, or final of the tour.

Access to the Fan Tournament

Admission will be free for fans, but the right of admission will be reserved due to capacity limits of the planned facilities.

The Regulations

All participants must first agree with the rules of the Tournament, as it is a sports competition. FIBA 3x3 regulations will apply. <https://www.fiba3x3.basketball/rules>

Medical services and first aid.

The organization has the presence of a Doctor of Medicine throughout the competition. In addition, a physiotherapist service is established for the needs of the tournament. And of course there are medicalized ambulances. Hoping you won't have to use any of these services.

The Referees

The Tournament will have referees in accordance with FIBA criteria to officiate all matches in the competition.

It is expected that they will have the support of the table assistants for the collection of data at the moment. In addition, there will be technical computer equipment to avoid technological setbacks.

Social Media

The tournament will have a direct impact on the fans and territories of each registered team. Through the tournament's own social networks and those of the participating teams and players, which will greatly expand the communication impacts.

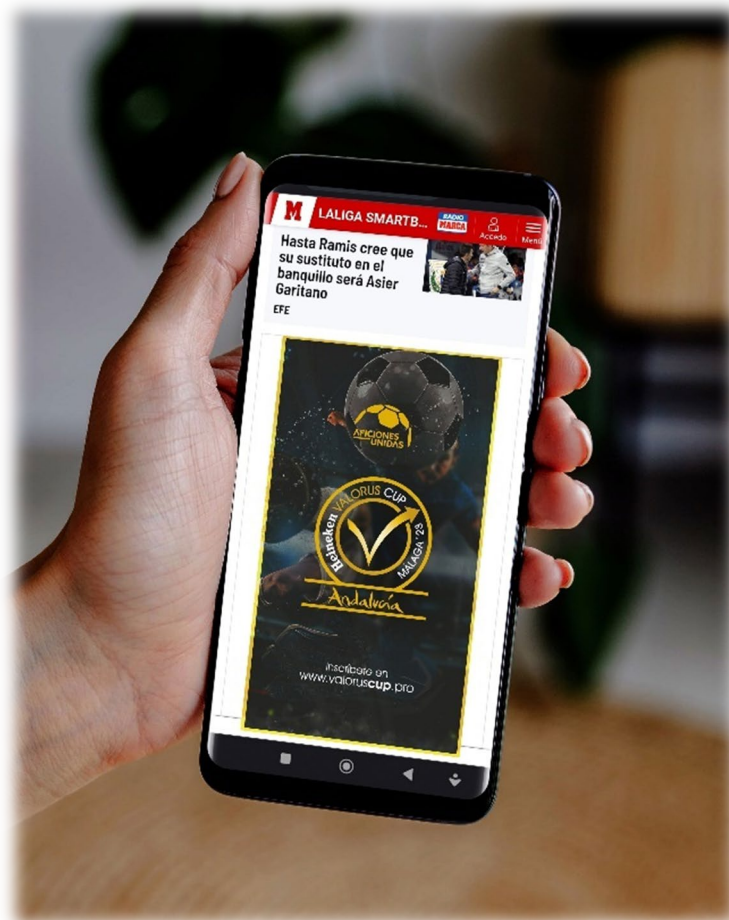

Press & Communication

The press and communication team, in agreement with the internet TV team and the new technologies team, will work in a special way to offer the content before the tournament and during the tournament to traditional and digital media.

The press and communication department will generate news and posts for each event linked to the 3x3 Pro Super League. For example, the registration of relevant teams, presentation and opening ceremonies of the tournament, the final and the closing ceremony.

Media Impact on Advertising

We plan to carry out advertising actions in digital media. In order to reach our target more effectively.

Retransmisión por TV streaming FIBA YouTube

The grand final and semi-final will be broadcast live on FIBA's streaming channels.

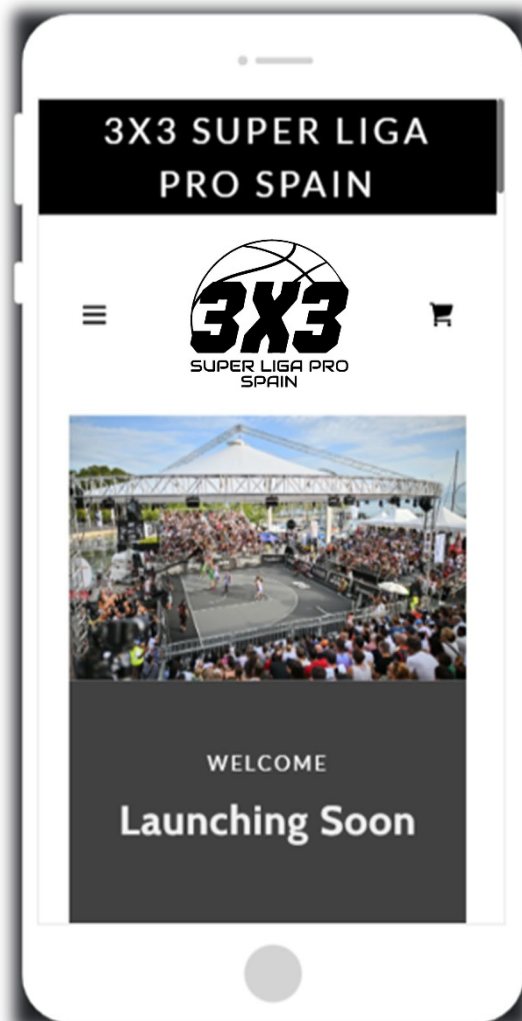

A streaming TV team will be in charge of the live TV broadcast of the matches, including the final of the tournament. The matches can be watched through the YouTube and Twitch channels prepared by the organization, in addition to those of FIBA in the semifinal and final.

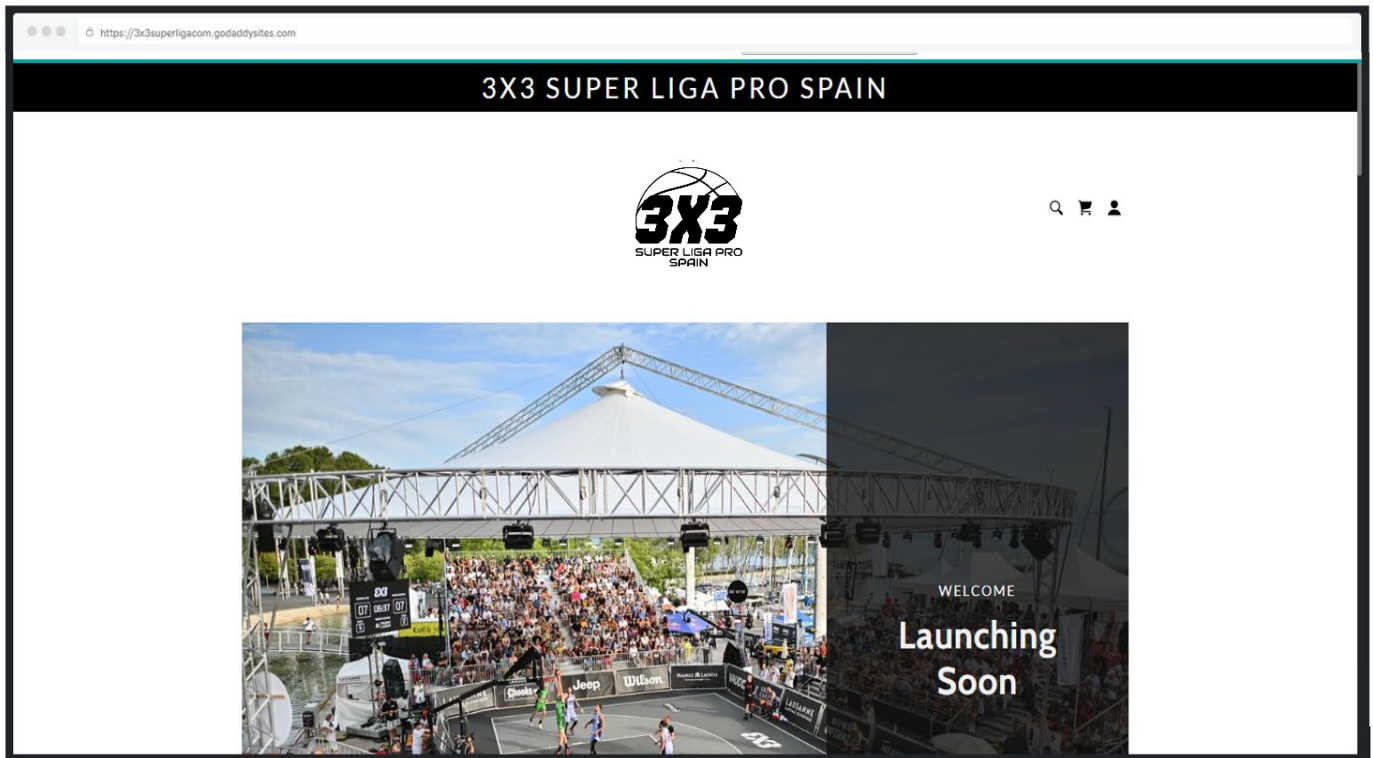

The organization will provide the contents to FIBA so that it can make them available at its discretion. The Super Liga Pro Spain website will enable a section to see the live and best moments of the matches. As well as interviews and other content related to the Super Liga Pro Spain.

The organization's website and social networks

www.3x3superliga.com

hola@3x3superliga.com

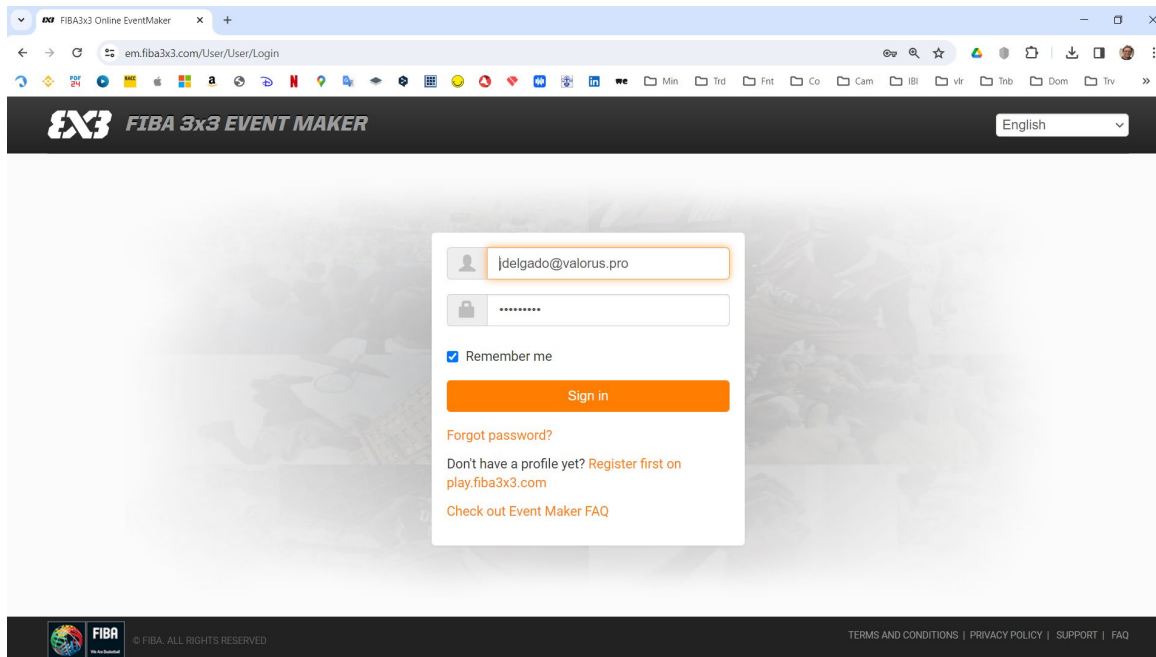

Infrastructure

For the development of the tournament, the courts will be adapted according to FIBA's criteria. As for the entire Pro Super League, the criteria of "FIBA 3X3 CHALLENGER MANUAL" will be followed

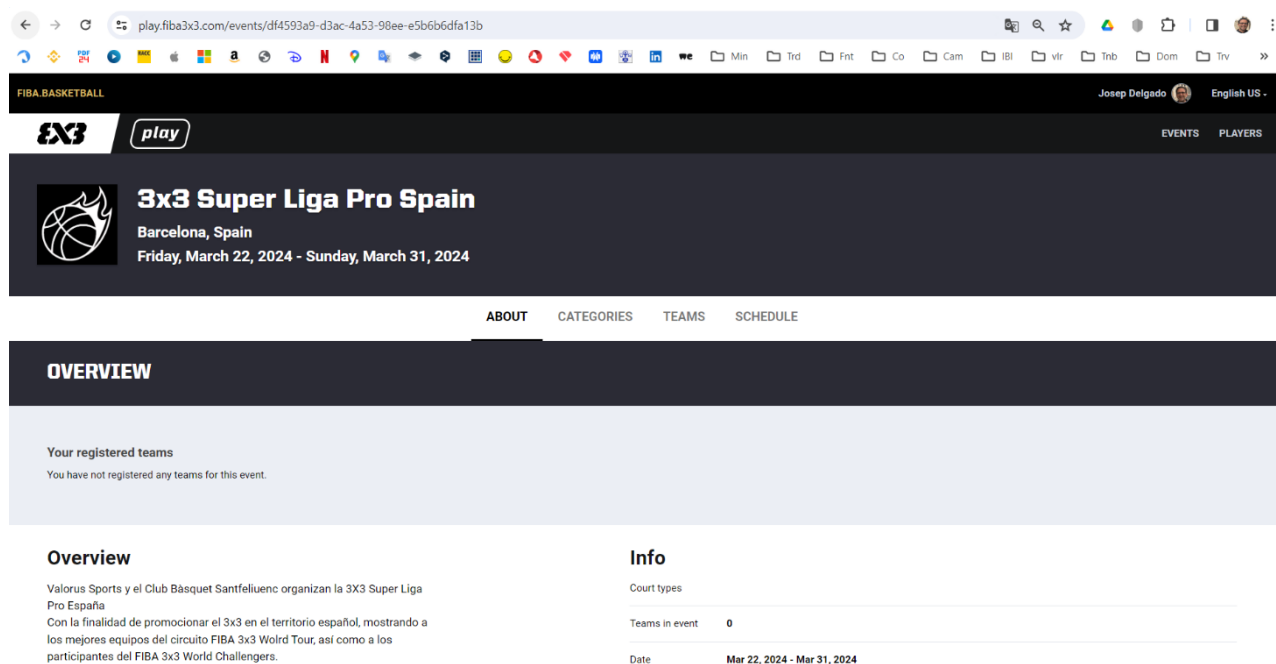

Organization

The organization will be supported by FIBA and the event planner **Event Maker**. With the Event maker platform, you can see the plans of each Jordanian, the results of each match, the evolution in the competition draw and the position in the rankings.

We also have the **play.fiba3x3 platform**, to broadcast the Super Liga Pro Spain.
