

CHICAGO MILITARY SHOWS

Reenactor Rules

1. Only select members from a participating group will be allowed in for setup times. This will be determined by the show runner and the leadership of the specific group. All other members must wait until the public times for entry into the hall.
2. As the show is located in a “concrete jungle” there will be no tents allowed inside the hall or outside the hall. A designated area will be given for reenactors to gather outside near the onsite truck displays and the indoor stage area. Please congregate in these areas and avoid blocking the aisles of the show unless you are walking around/shopping as the aisles are narrow.
3. **NO AMMUNITION IS ALLOWED FOR REENACTORS.** This includes all live and blank firing rounds. As this is a safety issue, please be sure to leave ammunition at home before attending the show.
4. All firearms carried by reenactors must be checked by onsite security staff and zip tied before being allowed to be carried or displayed. It is suggested that unless you are part of the living history displays, that you do not bring or carry a firearm around the show.
5. No firearms are allowed in the general parking lot area or near the entrance/exit and roadway. To ensure the safety of the attendees of the show and the show itself, please do not carry weapons around the parking lot. You may have a few on display along with your vehicle (one of the display ones, not your personal one) in the designated area mentioned before, but that is the only exception for the outside of the hall.
6. All members of participating groups who are interested in working as an event MP in the parking lot must contact Austin: 248-342-2594 and be willing to arrive early and leave late. If you are not part of a participating group and are interested, you may also contact us. If you have not contacted us prior to the show, we cannot guarantee you will get to work this detail.
7. If you or your group has the intention of selling items at the show, you must request tables and pay the table fee just like the dealers.
8. If you are bringing a vehicle on a trailer or large truck, please let us know beforehand so we can make sure you have a parking place to the side.
9. Truck space is limited so please contact us prior to coming to the show with one. If there is space we will allow you to, but ask first!
10. Third Reich flags must not be flown outside or in the hall. If you have one with your group, please fold it off to the side. Armbands with the swastika

CHICAGO MILITARY SHOWS

are also prohibited from being worn outside and in the hall (let's not give people the wrong idea). You are however allowed to dress as a period German apart from those two minor details.

11. Follow all other show rules! These apply to everyone, not just dealers and attendees.
