

# ADAMS SHORE ASSOCIATION 2023/2024 NEWSLETTER

## HELLO NEIGHBOR!

Greetings! We hope this message finds you healthy and well. Last year, we were excited to host our annual events that our neighbors have come to know and love. We also added a new event, the neighborhood block party. We appreciate everyone who braved the rain to join us that day. This year we plan to host many of the same events.

For the most up-to-date information, check out our brand new website and follow us on Facebook, Instagram or email for updates on all upcoming events.
