We are ALL curious about our souls...

Problems This Film Solves:

1. Sources of modern spiritual information are in book form, yet half of people do not read books.
2. Afterlife imagery has been notoriously difficult and expensive to portray, leading to pent-up demand for visualized info.
3. People commonly ask the same basic questions over and over in online communities—this film answers them.

What makes this film unique?

The “Unlocking the Soul” Films:

- Explain the background and approach of many sources of spiritual insights, which have surprisingly consistent messages
- Synthesize their findings and analyzes their implications
- Provide an objective outsider’s analysis of their credibility
- Use hundreds of stunning digital artworks to portray inter-life concepts like never before possible
