

December 29, 2020

Dear Brothers and Sisters in Christ,

2020 is almost over! Whew! Let's end the year on a good note today by making a positive difference in someone's life by the end of the year! Remember if we had no winter, the spring would not be so pleasant: if we did not sometimes get a taste of adversity, prosperity would not be so welcome.

Substantial progress was made within the Woman's Auxiliary during the year of 2020. Your leadership, care, and good hearts have shown through, during this difficult and trying time. Thank you for being a beacon of positivity and purpose in a time where many are uncertain. It is said that it is in the most difficult times that the truth of a person's soul is seen. Our Auxiliary would never have been able to transition to online conference calls without the kindness, the calmness, the support, and the efficient You. You continue to be the glue that holds this whole effort together, working to support our Goals, Mission, and our Vision. Thank you so much for the incredible support you have provided me in these times. I am super grateful to be a part of this Great Woman's Auxiliary and could not have asked for better or more supportive Missionaries. In 2021 I am asking the Lord to let me be able to give to you. My heart overflows with mercy, love and compassion. In all my decisions and choices, let them be love offering and life giving. God showed up to you and me with love in Jesus Christ. Let us show up for our neighbors.

Our Meeting will be short, concise, but productive. After the official opening of the meeting, we will begin with prayer from those of you who wish to do so because Prayer is your lifeline to God. From there we will move on to Encouraging and Enlightening words from those who would like to share how good God has been to you. I value your time so let us keep it short and in order.

I Pray for God's mercy and grace as we enter the new year of 2021. Below is a prayer for the New Year. Let us walk by faith into another year, giving thanks to God for His compassion and righteousness. May this short prayer truly inspire you in the renewing of your heart and mind.

*"Therefore, I tell you, whatever you ask in prayer, believe that you have received it, and it will be yours." ~ Mark 11:24*

**God Bless You In The New Year of 2021!**

## New Year Prayer

O God,

your days are without beginning  
and without end.

We dedicate this coming year to you.

Give us such prosperity as you know is good for us,  
and make us abound in doing whatever is pleasing to you;  
through **Jesus** the **Christ** our Lord.

Amen!

Yours in Christ,

*Rev. Annie Gibson,*
