 - **Stewardship Ministry:** Message for December from the Woman's Auxiliary. **(Wonderfully Done!)** *May our Lord, the reason for the Christmas season, be praised to the highest for giving himself as our gift of life and salvation that keeps on giving! By Reverend Joyce Clayton.*
 - Rev. Elizabeth McCoy's inspirational and informative Christian pertaining to **Duties and Responsibilities of Missionaries. I Loved This!** I want every Missionary to get a copy.
- b) Just a few words so you will be abreast of how the January meetings will run. I ask that each of you be preparing yourselves spiritually for prayer and Inspirational words. We want to start the year off right. As we prepare in prayer, let us pray for what God will do across the nation, for our new administration coming into the White House and for an end to the Covid-19 Pandemic. It takes compassion and it takes persistence. But most of all, it takes fervent prayer. I pray that you will join me with joyful expectations of meeting God before, during, and after the conference call in each area requested. Don't let the thought of prayer overwhelm you. Anyone can pray at any time. Just Keep it short as we are working with a one-hour time slot. Please remember to be mindful of others time.
