

2023 STAKEHOLDERS REPORT

MISSION: To provide a safe and supportive location for meetings, fellowship, educational activities, and social events for people, families, and friends in recovery.

Roaring Fork Recovery Support Center dba The Meeting Place was created in 2010 and incorporated as a nonprofit in 2015. Created to provide a safe and supportive place for recovery, TMP is the only organization of its kind in the Roaring Fork Valley, exclusively dedicated to providing consistent and by-donation space for recovery meetings.

Dear Supporters,

We are delighted to report that The Meeting Place (TMP) is thriving! In addition to hosting in-person meetings, TMP provides recovery support services, a virtual home for online meetings, and a wellness hub for mindfulness, yoga, and resources to benefit people in recovery in the Roaring Fork Valley and beyond.

In 2023, The Meeting Place:

- Renewed the lease for **five years**, maintaining our cozy space until 2029
- Completed our **seventh consecutive net positive fiscal year**
- Renovated the space with **brand-new carpet**, giving TMP a modern look and feel
- Hosted **25 in-person recovery meetings** each week, including 12-step meetings and other fellowships, Mindfulness in Recovery, SMART, and meditation meetings
- Provided **Free Childcare** for the largest meeting at TMP
- Launched two free weekly **Yoga for People in Recovery** classes facilitated by certified yoga instructors
- Received Licensure by the State of Colorado to participate in the Opiate Antagonist Fund, allowing us to distribute **free naloxone** to our community
- Launched a **Little Free RECOVERY Library** stocked with free addiction and recovery literature

This year is off to an energetic beginning with the introduction of our new **Executive Director, Karlynn Fulmer**. She is active in the recovery community, understanding the intricacies of addiction and the importance of fellowship. Karl has worked with other non-profits and the Roaring Fork School District.

The Meeting Place envisions the implementation of the following future initiatives:

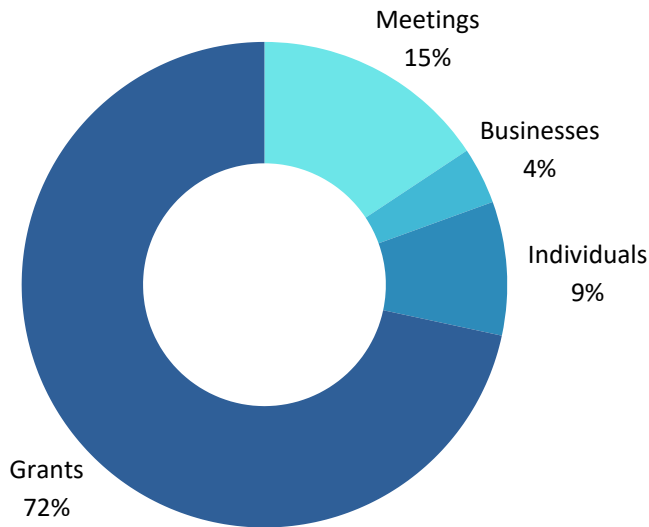

- **Recovery events** and wellness workshops to increase engagement and promote fellowship
- **Collaboration** with local non-profits sharing a similar mission
- **Outdoor fellowship area**, including picnic tables and garden
- Introduction of **Spanish-speaking meetings**
- Offering **childcare** for more well-attended meetings

The success of The Meeting Place is a true reflection of our community recognizing the gravity of addiction and the importance of recovery. Thank you for your generosity!
