

## **IN-PERSON AUTHOR VISITS WITH LAUREN H. KERSTEIN**

As we continue to grapple with this ever-changing, upside-down world, I am offering a flexible approach to author visits for the 2021-2022 school year. I'll work with you to put together a package that works best for your current situation. I know times are tough and budgets are tight. You can use the following information as a guide, but I am happy to work with you around pricing. I will also waive my visit fee in exchange for a minimum purchase of 20 books. All visits include social/emotional content as I empower students to see their strengths, approach life courageously, and identify helpful strategies for tough times.
