

## About the Book

It's summertime, and you're invited to a rollicking day at the pool with Charlie and his pet dragon (and best friend!) Rosie. But be careful, because swimming with a dragon is, um, challenging. Grab your towels and sunscreen and join Rosie and Charlie for a fun-filled summer adventure!  
(Note: Fireproof clothing not included.)

“The digital illustrations are bright, playful, and attractive, well suited to the story... There are some young dragon lovers and fans of mischief who will revel in this silly romp.”

“Kerstein’s playful story about friendship, patience, and responsibility for a pet is nicely matched by Wragg’s bold, colorful illustrations, rendered in blocky shapes and a vivid color palette. New pet owners are the natural choice for this one, but kids with younger siblings might appreciate it, too.”
