

THANKS TO ALL

To the Editor:

Thank you, Pam and Ron Meadows, for your leadership, dedication, and perseverance. Thank you, Lorna and Ed Zawacki, for your choreography which introduced the sophistication of the dance to the program.

Thank you, Dave Barnett and Mary Ellen Macina for your interpretation and presentation of a complex and intricate musical score. And thank you, the teenagers of Manhasset and Port Washington, on stage, back stage, and in the orchestra, for providing evenings of consummate pleasure to the community.

Although we don't have the Bronx or the Battery, your combined efforts in presenting "On the Town" have once again proven that our town is "a helluva town."
