## WHO'S WHO

**MARDI BRAUN**, (Director), a familiar face from numerous Port Washington productions, has concentrated her energies on directing this summer's Port Summer Show. Best known for her role as "Laurie" in Oklahoma and "Gooch" in Mame, in recent Port Singers productions, Mardi is also a featured soloist for the Community Synagogue and several local churches. Her extensive directing and teaching in public schools, community theatre, and most recently in this past winter's Childrens' Theatre Production of Thirteen Clocks, make Mardi Port Washington's own "Triple Threat." She is currently a partner with Cam Gelb in Merlin Productions, a company devoted to quality childrens theatre. Her most enthusiastic supporter is her husband, David. They have been residents of Port for eleven years and have two children, Jarred and Lauren, who look forward to becoming future members of the Port Summer Show.

---

---

**JONATHAN B. HALL**, (Musical Director), was born in New York City and has been a resident of Port Washington since he was nine years old. This is the eleventh summer show in which he has participated; in past years, he has divided his time between the stage and the orchestra pit, where he has played not only piano, but also bells and even harp! He has worked on Long Island as a church organist, choir director and music director for high school shows. Currently, he lives and works in Chicago, where he is achieving recognition as a concert organist and a vocal accompanist. He is also involved in local radio on the South Side of Chicago, and, just for fun, is working on a PhD in English Literature at the University of Chicago, where he earned his Master's in English in 1985.

## WHO'S WHO

**CAM GELB**, (Co-Director), a six year resident of Port Washington, is proud to take part in the 2nd annual Port Summer Show. Cam made her Broadway debut as a professional actress in Babes in Toyland, an updated version of the Victor Herbert classic. She also sang and danced in numerous stock including Carousel with John Raitt, Fiddler on the Roof, Mame and Bye Bye Birdie. She toured Europe in The Apple Tree for the USO - American Theatric Wing. Locally she has appeared as Sharon in Finian's Rainbow and also as the Golux in last season's children's production of The Thirteen Clocks. Cam also acted as Producer for the Thirteen Clocks and is a partner with Mardi Braun in Merlin Productions, a company dedicated to finding and presenting quality theater for children. Cam met her husband Victor while touring with "Babes", and is the mother of an energetic 4 year old named Joshua. Racing the clock to see if Birdie or the baby comes first, Cam is momentarily expecting the arrival of her second son.
