WHO'S WHO

PAMELA MEADOWS **Director/Choreographer**

PAMELA MEADOWS is delighted to return this summer as the Director/Choreographer of this 20th consecutive musical. In 1972, Pam and her husband, Ron, answered the requests of Port Washington teenagers for a summer theater program. They created the Teen Summer Theater and served as Director and Producer for 15 years. In 1977, for this program and other youth related activities such as the Annual Main Street School Children's Show, Pam and Ron were given the Community Chest Citizen Of The Year Award. A lifelong resident and Schreiber graduate, Pam is pleased to work, once again, with David Barnett who was the Teen Summer Theater's original Musical Director from 1972 to 1977. She is proud to note that her son, Christopher, who literally grew up with the Teen Summer Theater, went on to become a member of the Executive Board of the Port Summer Show and is, once again, this year's Lighting Director. In this twentieth year of continuous production, Pam expresses her hope that this is a Port Washington tradition which will go on for years and years to come!

DAVID BARNETT **Musical Director**

DAVID BARNETT, the Summer Show's original Music Director, is returning to conduct his seventh Summer Show after an absence of 14 years. In the interim, David followed 2 careers as a professional musician and as a Macintosh computer consultant. When wearing his musical hat, David has composed commercial background music you probably have heard on the radio or TV, worked the Catskill and cruise ship circuit as a pianist/conductor for a number of nightclub revues, and conducted a musical revue in Paris which included Dee Dee Bridgewater and later Patti LuPone in the cast. When wearing his computer hat, David develops computer databases, including a CD-ROM music catalog system for video production facilities.
