First of all, this is my first ad placed, so forgive me if it's long and boring. But, here are my Thank-You's: Thanks Mom, Mea, and Dad for your love and support. Thank you Cam and Marty for directing/producing and putting up with us. Thanks Florn, for teaching me the dances (very lovely dancing, by the way). Thanks Jay, for being a true friend, for playing a great role, and for giving everyone a good laugh now and then, through a joke or your acting (just kidding about your acting). Thank you Bryony, for taking my sister to see "Free Willy 2." Thank you Andrew, for giving the show the greatest Bass part one could ask for, and for the rides home every now and then (I really appreciate it, buddy.) Thanks Joe, for an awesome piano part in the pit. Thanks Greenday, for showing me how NOT to write music. Thank you OJ, for bringing back the once-fading idea of Male Superiority, and giving us all a good laugh. Thank you Theresa, for our sometimes deep, always long phone conversations. Thank you Katherine, for our friendship and marathon, 4 hour phone conversation. Thanks Michelle, for everything. Thanks CableTV, Jello Pudding Snacks, Taco Bell, Running, Cycling, Females, and, most importantly, Thank You Cast of "Meet Me in St. Louis," for a wonderful show!!!
