In Memory of Dennis McCullough

Dennis McCullough was a past president of the Port Summer Show. He spent endless hours as Technical Director for many, many years. Dennis passed away in May of this year of leukemia. The Board of Directors, the cast (both past and present), crew, and friends would like to dedicate this year's Summer Show in his memory.

Our heartfelt sympathy is extended to members of his family: Janice, his loving wife, and their two daughters, Lisa and Teri.

To G and Di,

The only thought in my mind when the three of us went our separate ways this summer was "I think we're alone now." But now that you're both back I just want you two to know that you both better be with me on this stage in the fall. Don't go away for so long next time. I missed ya!

Love,

From The Heart...

Our volunteer efforts in enabling this wonderful community tradition of Summer Theatre to continue, is a sincere one. We appreciate the hard work, the energy and the commitment that was made by our cast and crew of Port teens. Our business community is also to be commended for its continued support of our shows. Without funding, this tradition would end. Thank you to all the parents and volunteers who have helped to make *Finian's Rainbow* a great success. We are proud to have been part of this production. Enjoy the show.
