Traditions have been embraced in the Port Washington community over the years, and perhaps one tradition that deserves particular recognition is the Port Summer Show. Celebrating its 10th Anniversary this summer with the production of the musical, *Redhead*, the Port Summer Show continues to attract hundreds of youngsters in grades 7–12 who eagerly look forward to participating in all aspects of a summer musical. It is an opportunity for camaraderie, fun, an introduction to the arts and music, as well as the unique experience of producing a teen summer musical.

We must acknowledge the tremendous support we have received from the entire community over the years, including businesses, parent volunteers and the students who all “make it happen.”

As members of the Board of Directors, we are proud to be affiliated with such a fine organization and wish our members continued success in the years to come.

Our “stars” continue to shine....

Special Thanks

I just wanted to take this opportunity to say a few things to the cast and crew. I’ve basically known most of you for only 3 shows (8 months), but we’ve already shared some special times. I renewed an old friendship and began many new ones. Some of you have had the privilege of seeing me F.U.B.A.R.’ed and vice-versa. I’ve been through some tough times with you and some altogether strange ones. You’ve been there for me when I needed you and you’ve truly become some of my closest friends. I only wish I had discovered theatre sooner so that we could have met earlier. I’m going to miss all of you and I’m never going to forget you.
