## SYNOPSIS

*"The Pajama Game"* is a musical based on the novel *"7-1/2 Cents"* by Richard Bissell. It features a score by Richard Adler and Jerry Ross. The story deals with labor troubles in a pajama factory, where worker demands for a seven and a half cent raise are going unheeded. In the midst of this ordeal, love blossoms between Babe, the complaint committee head, and Sid, the new factory superintendent.

The original Broadway production opened on May 13, 1954, and ran for 1,063 performances. It was revived in 1973, and again in 2006 by The Roundabout Theatre Company. The original production won a Tony for Best Musical, and the 2006 Broadway revival won a Tony Award for Best Revival of a Musical.

### **Sasha Baron Cohen of “Bruno”:**

Ze Foye Frauleins are awesome.

### **Governor Mark Sanford of South Carolina:**

The Pajama Game is better than hiking the Appalachian Trail. I really enjoyed it.

### **Brooks Atkinson:**

A socko revival of Pajama Game. Not since Mary Pickford and Douglas Fairbanks has Broadway seen performers like Geller, Foye, Schechner, Burman, Morano, Gardella Wilsey, Roberts and Blicksilver. American Theatre lives!

Roberts and Foye are consummate professionals. Buy my wine.
