Summer Theater In Port

The following is a portion of the article which was originally printed in "Portfolio of Homes, June 1988". Now celebrating our 45th Anniversary, we are proud to still be bringing the excitement of musical theater to Port Washington teens!

There was once a girl in Port Washington (her name was Kathe O'Connor) who, not being from a nautical tennis-playing family, said "There is nothing creative to do in Port in the summer!"

Fortunately, she said it to the young woman who had been directing the winter children's show for Play Troupe, Port's regular theater group.

The woman was Pam Meadows and she relayed this cry of teen-age ennui to her husband who was on the board of the Bandshell Committee which sponsored Port's summer band shows. Between them, they persuaded Play Troupe, and the Bandshell, to sponsor Port's first Teen Theater production.

So from that cry was born a tradition - summer theater in Port Washington.

The first show, in 1972, was "Anything Goes".

"We had no money so we improvised everything. We used cyclone fences with muslin drops for the scenery - for every scene change, we just flipped over the next sheet of muslin," said Ron Meadows who produced the shows and designed the sets.

"The Bandshell is right by the water and 'Anything Goes' is a nautical show, so the sea in the background supplied plenty of atmosphere," added Pam.

Ron created a tower from plumbers' piping and Brook Electric put in a power outlet. Ron had six lights to aim at the stage.

The next year was "Bye Bye

Birdie" - and eight lights! One night there were 1,000 people crowded onto the green to see the show and the Meadows realized they needed better stage facilities.

By the fourth year, the Adult Education Department of the Port school system invited them to perform in the Schreiber High School Auditorium.

Then, in keeping with the ups and downs of show business, Austerity struck. The school board's budget failed to pass which meant all the "frills" were cut out and the show could only go on if it paid its own way.

"It's not that we lacked sponsors," said Ron Meadows, "it's just that we wanted sponsors who would let us do things our way."

Teen Theater policy was always that the kids do as much as possible themselves - make and paint the scenery, make their own costumes or find them in local thrift shops (though some parents, mothers mostly, have been known to wield a dab needle), and help with production, publicity, and ticket sales.

Although the summer theater has always been low budget, production fees have to be paid for, as well as script rentals, and in the throes of austerity, custodial fees had to be paid when the Schreiber auditorium was used.

Eventually, some parents found benefactors for the show - I.B.M. (who owns a golf club in Port) and the Robert L. Harding Real Estate firm. Since 1980 Robert Harding has been a regular benefactor.

In spite of the constant struggle for sufficient funds, the Teen Theater went from strength to strength.

Kids can take part the summer they finish sixth grade and if they catch the "theater bug" they can do it every summer until they finish High School.

Plenty of kids have been through seven Teen Theater productions, starting in the chorus and working their way into bigger and better parts as they got older.

For the fifteenth summer, the Meadows put on a full-fledged "Peter Pan" with an instructor from Foy Inventorprises sprinkling a little fairy dust, so to speak, to help Peter and the Darling children fly to Never-Never Land.

The show was the last in the galaxy of "smash hits" which included "Guys and Dolls", "Oliver", "Grease", and "Annie". It was the fifteenth show, and Pam and Ron both said "Enough".

The threat of no more Teen Theater caused a minor panic among that segment of Port's population for whom it had become a way of life.

Everyone possible was recruited - the Port Washington Youth Council, the School Board in the guise of Adult Education, Bob Harding, of course, and I.B.M. again. But who was going to direct, who to produce?

Directing talent was hired from outside Port which proved that even with the best intentions, it's tough to do this particular job if you commute from the city each day.

Since the Teen Theater had been the Meadows' "baby", it was decided to change the name slightly. The Port Summer Show went on, with "Bar-num"...

We embrace our 2017 production of "All Shook Up" with the same love, care and passion that started the Port Summer Show in 1972. To Kathe O'Connor, the teenager who sparked it all, we applaud you wherever you are and say, "Break A Leg"!

- Matthew -

From your debut as *Harry MacAfee* to your final curtain call as *Chip*, you have filled the Weber and Schreiber stages with one amazing performance after another! We've watched you grow into an amazing artist and incredible young man and couldn't be prouder of you!

We can't wait to see what the next chapter brings!

We love you,
Mom, Dad and Sarah

Piper we are so proud of you. Your talent. Your grit. Your sheer magnetism.
Your journey is just getting started and the whole family is behind you.

Love, Mommy. Daddy. Rory. Omi. Gigi. Cousins. Aunts. Uncles.
And of course, Stelluna + Odie.

A NOTE FROM OUR DIRECTOR

"Fortune smiled and came my way:"
Putting On A Classic

New York has changed quite a lot since 1944. Nedick's is no longer a popular fast food chain. There is no longer a Miss Turnstiles chosen each month. And sailors on leave no longer swarm the streets for 24 hours of madcap mayhem. There was a certain innocence to the typical hustle and bustle of the city; we had class and style back then, too. How sad to have lost such an era.

Those halcyon days may be just a fading memory, but we intend to bring them back to vibrant life this summer as we present *On The Town*. And believe me, this is no easy task! Taking a trip this far back in time requires so much: props must be replicated to look like items we would have had in our hands back then, costumes must provide the actors with just the right silhouettes, and hair and makeup need to evoke the styles of Gene Tierney, Lauren Bacall and Veronica Lake. The details have to be accurate, and our incredible staff and volunteers have done a remarkable job of transporting us to this bygone era.

However, it wouldn't be a complete journey back to the 1940's if it weren't for the incredible performances of our actors. They have worked tremendously hard to sound as if they just stepped out of a Howard Hawks film. The rat-a-tat-tat rhythm of the dialogue, the plucky, comic characters, and the beautiful throwback score come to glorious life only because of the dedication and talent of our Port Summer Show performers. They have put on a classic in the only way you truly can - by respecting those days gone by and doing your best to honor them in your performance.

I would be remiss if I did not take time in this year's note to single out the incredible work of our choreographer, Jesse Pellegrino. This musical is based on a Jerome Robbins' ballet from 1944 called *Fancy Free*, and when it became this musical, the ballet portion of the entertainment grew and grew. Jesse has done a beautiful job creating these long, difficult dances for our performers, setting the bar just high enough to make it a challenge while also gifting them with choreography that will make our dancers look their best. He has done a masterful job.

Fortune now smiles on all of you as you get the distinct pleasure of being brought back to 1944. We are so very proud of our musical valentine to a long lost version of New York. Celebrate with us as we bring to life that helluva town and all its inhabitants!

THANK YOU!

Thank You To All Who Made “On the Town” a Success!

Congratulations to the cast, crew and pit of “On the Town”! This summer has been a shining example of what can happen when you pull together with a singular purpose - making beautiful art!! Your hard work has brought joy to your families and your whole community! Congratulations on your collective triumph - we couldn't be prouder of you all!!

To Our Director, Jason Summers - What can we say?? You “bring the magic” to the show and connect with each and every student in personal and meaningful ways. You infuse your unsurpassed knowledge, talent and enthusiasm for musical theater into all you do! But most of all, you possess the rare gift of being masterful at your craft while imparting your wisdom with a soft touch! You are a loved and esteemed member of our family!!

To Our Choreographer, Jesse Pellegrino - You are FABULOUS in every way! From Fosse to Robbins, your passion and dedication are what bring our musical numbers to life each summer. We are always amazed how you transform kids with little dance experience into true dancers. Your infectious laugh and love of all things theater make Port Summer Show so much more fun for all of us. You are truly one of a kind and we love you!

To Our Conductor, George Croom - What would we do without you??! We were boldly venturing into new territory with a super-complicated score and no personal knowledge of how to resolve it. We were in danger of being pummeled by an orchestrative tsunami when you donned your cape and boots and flew in to save the day!! Simply put - you are our hero!! Thank you, thank you, thank you!!

To Our Technical Director and Sound & Lighting Designer, Brian Wedeking - This has been a milestone year for you!! In true “Brian style” you managed to get married (with two ceremonies), go on a brief honeymoon, and hit the ground running with set build all within a few weeks!! We have seen you grow up through this program and hope your tenure as a cherished longtime member of the Port Summer Show family has contributed in some small way to the talented, competent professional you have become! You have our sincerest wishes for a lifetime of happiness with Mel! We love you both!

To Our Set Designer, Nick Gardella - You came through the ranks as an actor/dancer/singer, graduating to artist/set designer, all the while creatively morphing in the most fascinating ways!! Mountains of pipe cleaner tassels, a full-blown Venus sculpture in the round, insanely ornate hand-carved-foam-faux-plaster-relief: the list goes on and on. There is nothing you won't try, and there's nothing you can't master!! We will sorely miss your wit, your charm, and your limitless creative talent!! Go forth and prosper in your new digs with our blessings and our love!! We can say we “knew you when”! We miss you already!!! XO

To Our Musical Director, Allison Friedman - You are the “Pied Piper” of musical directors!! Much of our program has been built on the contacts you have fostered from your devotion to our children and your warm relationships with fellow teachers and peer musicians. We feel so fortunate to have our kids with you - especially those who started out with you in Weber who are now graduating. You have been a special part of their past, their present, and will continue to be remembered with love and gratitude in their futures!!

To Our Costume Designers, Tom Beck and Neil Schleifer - Your costume designs are unparalleled and you take such care to make each and every cast member look their part! It continues to amaze us how you outfit over 50 cast members each summer “seamlessly”. Among the many things we have learned from you over the years, we are proud to say, we now know the art of quick-changes – no small feat! You are both such a huge part of the Port Summer Show Family! We'd be lost without you!

Thank You All

In 1979, I performed in my first summer show - "Once Upon a Mattress". I still remember looking forward to spending the summer surrounded by my friends, collaborating to create something magical on stage. Forty years later, as Co-President and Co-Producer of Port Summer Show,

I still feel exactly the same way.

As a Port Summer Show Alum, one of my greatest joys has been seeing my daughter, Sarah, and son, Matthew, follow in my footsteps. Like me, they have made lifelong friends through their involvement with the Show and have many wonderful memories from their own shows that they will cherish forever.

I am so honored to be part of the 47-year history of this incredible organization. I am grateful to the long line of past Presidents, who I will now join, to my fellow Board Members, to our Dream Team Production Staff, to our generous sponsors, to all the incredible parent volunteers and, of course, to the kids, all of whom have made my 13 years of being a part of the Port Summer Show Family so special.

I would not have been able to do what I did without the support of my own family. Thank you to my husband, Joe – you truly have the patience of a saint. You are my rock. To my children, Sarah and Matthew – you have both become such amazing artists and incredible young adults. You always make me so proud both on stage and off. To my parents, Chris and Norma Saccoccia – thank you for starting me on my PSS journey 40 years ago and for always encouraging me in my love of theatre. To my mother-in-law, Priscilla DeMarino, and the rest of the DeMarino Clan – you have always been our biggest fans and it has meant the world to us!

As I close the second chapter of my time with PSS, I am immensely gratified in knowing that, although the players may change every year, the magic that is Port Summer Show will continue on in good hands.

Looking forward to seeing what the next 47 years have in store!
Lots of love always, Sam

A Special Thank You To Our Departing Co-President Sam DeMarino

As some of you may have heard, Sam DeMarino was a cast member of the Port Summer Show from 1979 to 1982! She graced the stage in "Once Upon A Mattress," "How to Succeed In Business...," "Red, Hot & Blue," and "Kismet." Her children then followed in her character shoes... Sarah joined the cast of "42nd Street" in 2011. Matthew joined the 2013 production of "Shrek." Sam started as Alumni Coordinator for "42nd Street" and went on to head all sorts of committees from Props to Concessions, Social Media to Ticket Sales, and joined the PSS Board as Secretary in 2014. She rose to Co-President in 2017 with "All Shook Up" and has shined not only as an incredible producer, but as a relationship- builder as well. It is her nurturing of our wonderful sponsors that has enabled Port Summer Show to bask in their generous support. And if you've ever sat through one of her pitches for a show choice, it is something to behold! But Sam's proudest accomplishment is her family's continued legacy of involvement in Port Summer Show. She is hoping that her children's children will participate in the fun and so on and so on and so on.

Thank you from the bottom of our hearts for your many years of tireless dedication to Port Summer Show. You will be missed!

Love,
The Entire PSS Family

To My Port Summer Show Family

Seven years ago, with little knowledge of the program, and some reservations about late rehearsals, I allowed my twelve-year-old to join Port Summer Show. I knew instantly we had stumbled on something rare and wonderful. I've always said that I don't really understand how this program perpetually puts together shows that dazzle, tug at heartstrings, and make us laugh out loud - not just because of the unending stream of fiercely talented student actors, musicians, artists and tech crew, but because it's run by volunteers and paid for by generous donors. There are so many pieces that need to fall into place, it always seems so precarious. And yet it always thrives. It seemed unlikely that so many people would value the art of theater, and see what I see - our children making precious memories and learning the magic of collaboration - so much so that they'd give countless hours and much-appreciated financial support to make sure the magic goes on. You are those people, and I am grateful to you all. I've bonded with and learned from your amazing children, and your positivity has fueled the process and buoyed our spirits. You are truly an amazing group of parents - thank you!!

To my own family - Alex, Dylan, Veronica and Sophia - I appreciate your unending patience with the hours I've put in over these years. You have always encouraged me and I'm so grateful!! To my mom, dad, sister, brothers, sister-in-law and friends - you have come from far and wide to support Veronica and me, and we love you for it!!

I will miss the experience of being on the team of the Port Summer Show. I'll miss the kids, the warm friendships, the excitement, the creativity, the thrill of opening night!! But I'm heartened that, as Sam and I pass the torch, it will be to all of you!!

Much love,
Lori

A Special Thank You To Our Departing Co-President Lori Lee

Lori Lee came on the scene in 2013 when her middle child Veronica joined the cast of "Shrek." She threw herself into volunteering from the moment she stepped through the Schreiber doors. She has worked on and chaired all sorts of committees from the Playbill to the Car Wash, from Hair & Makeup to Concessions, joining the board in 2013. But where she really shined was with a paintbrush. As a professional artist, she brought her incredible talent to the sets painting faux marble finishes and lettering ten foot tall set pieces and painting multiple PSS banners, earning the title of Paint Charge in 2018. She also became Vice President that same year. Her youngest child Sophia joined the crew ranks as well and has worked alongside her mother as an artist in her own right. Lori has worked closely with our set designer for several years helping to bring our fantastic sets to life. She has spent many, many hours working with the kids behind the scenes, mentoring them as young artists. This year, Lori became Co-President and in addition to all of her responsibilities helping to run the Port Summer Show organization, she took on the role of Scenic Artist & Paint Charge. With her eye for color and design, she helped craft the beautiful sets for "On The Town."

Thank you for your years of dedication to the Port Summer Show! We will miss your humor and talent!

A Warm Thank You To Our Departing Secretary Melissa Welsh

Melissa Welsh became a member of the Port Summer Show family in 2014 when her daughter Lily joined the cast of "Urinetown." She immediately chaired the Concessions Committee and built it through the years to become the well-oiled machine it is today! Her son Max followed in 2014 with the production of "Shrek" and Melissa expanded her involvement. She worked hard on the PSS Tag Sale, taking it over in 2017 when she joined the PSS Board. She couldn't keep husband Chip away, and with his savvy sales skills and Melissa's competent leadership, the Tag Sale & Car Wash has grown by leaps and bounds. Melissa became PSS Secretary in 2018, making sure the minutes of every board meeting are out to board members the very next day - she's the fastest board secretary in PSS history!

Melissa, we will miss your sweet smile and your many years of dedication to Port Summer Show.

Love,
The Entire PSS Family

To Julia,

It's a joy to watch your talent and dedication in all you do. We couldn't be any prouder of you and all you have accomplished so far!
