

# CARLIN

HEALTH SAFETY & TRAINING

**MEMBERSHIP BROCHURE**

“ ”

Carlín are true professionals and communicate well at all levels of the business, always on call, they bring assistance and advice from their detailed and wide-ranging experience, creating and rolling out new and modern safe systems of work across all areas of the organisation.

**MICHAEL | MDL MARINAS**

# **WORKING TOGETHER TO EMBED A POSITIVE HEALTH AND SAFETY CULTURE.**

**Carlin Health, Safety and Training  
Membership Services provide you with  
the peace of mind you need at an affordable  
price for your business.**

We specialise in providing expert health and safety consulting and training to businesses of all sizes.

Our approach is always collaborative, we believe a joint effort is how you get the greatest level of protection, efficiency, productivity for your employees and your business.

That's why we're proud to be an integral part of your team, working hand in hand with you to ensure the highest standards of protection, efficiency, and productivity.

# DEDICATED TO FINDING THE RIGHT SOLUTION

**Carlin is a health and safety consultancy dedicated to finding the right solutions for our clients, focusing on long-term benefits rather than temporary fixes.**

That's why our Membership Packages offer you the ability to choose the right level of support for your business at a price you can afford.

# STRENGTHEN YOUR REPUTATION

Demonstrate your commitment to health and safety excellence.

# LEGAL COMPLIANCE

**Access our expert knowledge to avoid fines, legal issues, and reputation damage.**

Organisations that prioritise health and safety can pro-actively ensure legal compliance and employee well-being.

# RISK MANAGEMENT

**We provide legislative updates and best practice.**

Legislative changes can impact risk exposure for businesses and individuals. Staying current allows for proactive risk management and the implementation of necessary measures to mitigate potential legal and financial risks.

# OPERATIONAL EFFICIENCY

**Enhance your operational efficiency and prevent disruptions caused by sudden legal changes.**

Being aware of relevant legislation helps organisations streamline their processes to align with legal requirements.

**FREE COPY**  
**Better Workspaces**  
**Magazine**

Your source for insights and guidance on creating safe, efficient, and healthy work environments.

# EXPAND YOUR EXPERTISE

**Expert help and advice that you can tap into, to enhance your organisations knowledge.**

- | Resources and Business Directory

## **Access to the Collaboration Business Network (CBN)**

A supportive networking community where businesses across all sectors and sizes can come together to:

- | Share best practice
- | Find resources
- | Support from a community who understand the challenges

# TRAINING & DEVELOPMENT

**We are accredited providers with IOSH, CITB and NUCO and offer in-person and online courses or can undertake training at your premises.**

I completed the SMSTS course and I really enjoyed it. It was just the right balance between the theory, the discussions and the practical assessments. I wouldn't hesitate to use Carlin again or recommend them to others.

**N Davenport (Google Review)**

For full details of current courses,  
fees and dates visit:
