Spring cleaning is a great time to clean up around your house, yard and around the city. Have furniture you need to get rid of? There will be open top containers at the refuse site that are available for larger items not accepted in the compactor. There will also be a smaller container for recyclable items such as cardboard, plastic jugs, water bottles, etc. Electronic recycling will once again be held at the city office, 675 Monroe Street. Volunteers are needed! If you have large items you are unable to haul, please contact the city office.

Refuse Site Fees

In light of the public comments received at the February 28th town hall meeting regarding the wage for the Transfer Site Attendant, two attendants were hired at an increased rate. To offset the added salary expense, the council approved a new fee schedule effective May 1, 2024. New rates will be: Residents - \$23.00/month, Commercial customers - \$26.00/month and Non-residents- \$350.00/annually. All other fees on the master fee schedule effective April 1, 2024 will remain the same.

The updated Master Fee Schedule will be available on the city's website:
