 - Update -
 - Lessons Learned for Tryouts - Feedback was that it went well, 8th St. was a great location. Better signs (parking, 2 or 3 lines for checking in), all coaches and volunteers are at least signed up one week before tryouts. Longer gap between tryout times. Check in for coaches next year. Coaches meeting (or two?) ahead of tryout to go over expectations for tryout day and registration tasks. Maybe even a month in advance to avoid busy season.
 - Parent policy- we MUST have coach registration done before tryouts are held.
 - 2010 Boys team- Still looking for a coach for this team, but we are close to a full roster.

- Girls from Stu's team- Harper Johnson, can we find a spot for her on 2006G White team. Brent will reach out to them. Brad will connect with Travis to reach back out to Stu as a follow up.
 - We need to emphasize to coaches (and players) that we do have a deadline and will be charged if we don't meet the deadline.
