

# Ollie Cantos

Hello Neighbor,

I hope this note finds you well.

My name is Ollie Cantos, and I'm your neighbor.  
I live at 1420 Queen Summit Drive, not far from right here.

I dropped by, because I am running for West Covina City Council District 4. I wanted personally to get to talk with you, to hear what your priorities and concerns are, and to share my vision for the future as we work TOGETHER to make our City a better place in which to live.

As your representative on the City Council, I pledge to protect our neighborhood. I plan to be active on issues you bring my way, to be and remain accessible to you, and to address concerns that face your family. I am eager to hear your input. **How can I help?**

I invite you to learn more about my candidacy by going to: <http://www.OllieCantos.com>

Here are a few of the issues I plan to address for our neighborhood:

- Keep our neighborhood safe, clean, and beautiful!
- Protect our families!
- Strengthen our public safety and encourage neighborhood watch meetings.
- Spend your tax dollars wisely and STREAMLINE government services. No new taxes!!
- Meet the homeless issue head-on by bringing together City staff, businesses, charitable groups, and mental health agencies.
- OPPOSE the costly City Health Department.
- RE-OPEN the West Covina Sports Plex without using the City's General Fund.
- BACK an existing proposed plan to BUILD a solar farm on the old BKK site as a way of creating revenue and energy for the Sports Plex.
- Bring transparency back to City Hall.

About Ollie

# Beating the Odds... In More Ways Than One

Blind since birth and the son of Filipino immigrants, Ollie was raised here in West Covina since age 4. He defied conventional wisdom of what was then considered possible or practical. In spite of being bullied as a child and going through other challenges, he eventually became an attorney, making a difference at the U.S. Department of Justice, the U.S. Department of Education, and the White House. For more than 17 years, he has worked successfully under both Republican and Democratic administrations. He has also held two presidential appointments and has devoted his life to public service.

The adoptive Dad to three Colombian-born blind triplet boys, all of whom earned the coveted rank of Eagle Scout, Ollie is the product of West Covina values — proud, strong, and determined. It's the West Covina way!

Ollie will bring that same spirit of focused intensity — **grounded in integrity, hard work, and positive partnership**— to being a go-getter on OUR City Council!
